INTRODUCTION**USDA Foods Distribution and Fees Survey****Thank you in advance for taking the time to complete this survey.**

The United States Department of Agriculture (USDA) Food and Nutrition Service (FNS) has contracted with 2M Research (2M) to conduct a survey of State Distributing Agencies (SDAs). The survey should take approximately 20 minutes to complete.

If you have any questions about this study, please contact the study team by email at USDAFOODS@2MRESEARCH.COM or by phone at 1-8XX-XXX-XXXX (toll-free), Monday through Friday from 10a.m. to 6 p.m. Eastern Time. If you call outside of these hours, please leave a message, and we will return your call the following business day.

This information is being collected to assist the Food and Nutrition Service in understanding fee structures for the distribution, warehousing, and administration of USDA Foods for school meals. This is a voluntary collection and FNS will use the information to better understand and compare how State Distributing Agencies manage the operations and distribution of USDA Foods to School Food Authorities. This collection does not request any personally identifiable information under the Privacy Act of 1974. The valid OMB control number for this information collection is 0584-0613. The time required to complete this information collection is estimated to average 20 minutes (0.33 hours) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Policy Support, 1320 Braddock Place, Floor 5, Alexandria, VA 22314 ATTN: PRA (0584-0613). When SAE or other State funds are insufficient to cover the full costs of administering the Food Distribution Program (i.e., expenses for the storage, transportation, or associated administrative costs of USDA Foods in Schools), States are authorized to charge a fee to RAs participating in the program to close the funding gap. This fee is officially termed the "distribution charge," but States often refer to it by different names (e.g., administrative fee, storage fee), and it may include fees charged directly to RAs by State-contracted warehouses. *Answer this question based on whether the distribution charge is used for any type of RA.*

- Yes
 No

13A. | What is the basis for the fee?

Select all that apply.

- Pounds of direct delivery, processed end product, and/or commercial product an RA sends through the State warehouse
