OFFICE OF THE DIRECTOR

**A Message from the Director, U.S. Census Bureau:**

We are requesting your cooperation with the **2017 Economic Census Island Areas**. The Economic Census is conducted every five years, and is the primary source of facts about the structure and functioning of the Nation's economy, as well as the economy of your island. **Your participation is essential** to ensure an accurate and reliable measurement. Businesses large and small, such as yours, use data from the Economic Census to evaluate markets, prepare business plans, make business decisions, develop economic models and forecasts, and conduct economic research.

**OMB Number**

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-XXXX and appears in the upper right of each reporting screen. Without this approval, we could not conduct this survey.

**Authority and Confidentiality**

Title 13 United States Code, Section 131, authorizes this collection. Section 224 requires your response. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and can use your response only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

**Burden Estimate Statement**

We estimate this survey will take an average of one hour to complete, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to:
