¹ For approximately 100,410 of these establishments (those which are unclassified or in sectors 21, 23, or 31-33), this information will be collected using electronic instrument paths 99023 and 99026 which are covered in clearance O607-0: Economic Census Industry Classification Report

² Blanks in the "4th Quarter Births" column indicate that there were no 4th quarter, 2015 births in these industries in the Register data used to generate these projections. In 2017 there may be such births. Zeros in the other columns of this table that the number could not be anything but zero (e.g. all single-establishment firms in an industry are considered to be "small" ones) therefore there cannot be any "Small" ones).
