

**252.247-7000 Hardship Conditions.**

As prescribed in [247.270-4\(a\)](#), use the following clause:

HARDSHIP CONDITIONS (AUG 2000)

(a) If the Contractor finds unusual ship, dock, or cargo conditions associated with loading or unloading a particular cargo, that will work a hardship on the Contractor if loaded or unloaded at the basic commodity rates, the Contractor shall--

(1) Notify the Contracting Officer before performing the work, if feasible, but no later than the vessel sailing time; and

(2) Submit any associated request for price adjustment to the Contracting Officer within 10 working days of the vessel sailing time.

(b) Unusual conditions include, but are not limited to, inaccessibility of place of stowage to the ship's cargo gear, side port operations, and small quantities of cargo in any one hatch.

(c) The Contracting Officer will investigate the conditions promptly after receiving the notice. If the Contracting Officer finds that the conditions are unusual and do materially affect the cost of loading or unloading, the Contracting Officer will authorize payment at the applicable man-hour rates set forth in the schedule of rates of this contract.

(End of clause)

**252.247-7001 Price Adjustment.**

As prescribed in [247.270-4\(b\)](#), use the following clause:

PRICE ADJUSTMENT (JAN 1997)

(a) The Contractor warrants that the prices set forth in this contract—

(1) Are based upon the wage rates, allowances, and conditions set forth in the collective bargaining agreements between the Contractor and its employees, in effect as of (insert date), and which are generally applicable to the ports where work under this contract is performed;

(2) Apply to operations by the Contractor on non-Government work as well as under this contract; and

(3) Do not include any allowance for cost increases that may—

(i) Become effective under the terms of the collective bargaining agreements after the date in paragraph (a)(1) of this clause; or

(ii) Result from modification of the collective bargaining agreements after the date in paragraph (a)(1).

(b) The Contractor shall notify the Contracting Officer within 60 days of receipt of notice of any changes (increase or decrease) in the wage rates,

allowances, fringe benefits, and conditions that apply to its direct labor employees, if the changes—

(1) Are pursuant to the provisions of the collective bargaining agreements; or

(2) Are a result of effective modifications to the agreements; and

(3) Would change the Contractor's costs to perform this contract.

(c) The Contractor shall include in its notification—

(1) A proposal for an adjustment in the contract commodity, activity, or work-hour prices; and

(2) Data, in such form as the Contracting Officer may require, explaining the—

(i) Causes;

(ii) Effective date; and

(iii) Amount of the increase or decrease in the Contractor's proposal for the adjustment.

(d) Promptly upon receipt of any notice and data described in paragraph (c), the Contractor and the Contracting Officer shall negotiate an adjustment in the existing contract commodity, activity, or man-hour prices. However, no upward adjustment of the existing commodity, activity, or work-hour prices will be allowed in excess of \_\_\_ percent per year, except as provided in the Changes clause of this contract.

(1) Changes in the contract prices shall reflect, in addition to the direct and variable indirect labor costs, the associated changes in the costs for social security, unemployment compensation, taxes, and workman's compensation insurance.

(2) There will be no adjustment to increase the dollar amount allowances of the Contractor's profit.

(3) The agreed upon adjustment, its effective date, and the revised commodity, activity, or work-hour prices for services set forth in the schedule of rates, shall be incorporated in the contract by supplemental agreement.

(e) There will be no adjustment for any changes in the quantities of labor that the Contractor contemplated for each specific commodity, except as may result from modifications of the collective bargaining agreements. For the purpose of administering this clause, the Contractor shall submit to the Contracting Officer, within five days after award, the accounting data and computations the Contractor used to determine its estimated efficiency rate in the performance of this contract, to include the Contractor's computation of the costs apportioned for each rate set forth in the schedule of rates.

(f) Failure of the parties to agree to an adjustment under this clause will be deemed to be a dispute concerning a question of fact within the meaning of the Disputes clause of this contract. The Contractor shall continue performance pending agreement on, or determination of, any such adjustment and its effective date.

(g) The Contractor shall include with the final invoice submitted under this contract a statement that the Contractor has not experienced a decrease in rates of pay for labor, or that the Contractor has given notice of all such decreases in compliance with paragraph (b) of this clause.

(End of clause)

**252.247-7002 Revision of Prices.**

As prescribed in [247.270-4\(c\)](#), use the following clause:

REVISION OF PRICES (DEC 1991)

(a) *Definition.* "Wage adjustment," as used in this clause, means a change in the wages, salaries, or other terms or conditions of employment which—

(1) Substantially affects the cost of performing this contract;

(2) Is generally applicable to the port where work under this contract is performed; and

(3) Applies to operations by the Contractor on non-Government work as well as to work under this contract.

(b) *General.* The prices fixed in this contract are based on wages and working conditions established by collective bargaining agreements, and on other conditions in effect on the date of this contract. The Contracting Officer and the Contractor may agree to increase or decrease such prices in accordance with this clause.

(c) *Demand for negotiation.*

(1) At any time, subject to the limitations specified in this clause, either the Contracting Officer or the Contractor may deliver to the other a written demand that the parties negotiate to revise the prices under this contract.

(2) No such demand shall be made before 90 days after the date of this contract, and thereafter neither party shall make a demand having an effective date within 90 days of the effective date of any prior demand. However, this limitation does not apply to a wage adjustment during the 90 day period.

(3) Each demand shall specify a date (the same as or subsequent to the date of the delivery of the demand) as to when the revised prices shall be effective. This date is the effective date of the price revision.

(i) If the Contractor makes a demand under this clause, the demand shall briefly state the basis of the demand and include the statements and data referred to in paragraph (d) of this clause.

(ii) If the demand is made by the Contracting Officer, the Contractor shall furnish the statements and data within 30 days of the delivery of the demand.

(d) *Submission of data.* At the times specified in paragraphs (c)(3)(i) and (ii) of this clause, the Contractor shall submit—

(1) A new estimate and breakdown of the unit cost and the proposed prices for the services the Contractor will perform under this contract after the effective date of the price revision, itemized to be consistent with the original negotiations of the contract;

(2) An explanation of the difference between the original (or last preceding) estimate and the new estimate;

(3) Such relevant operating data, cost records, overhead absorption reports, and accounting statements as may be of assistance in determining the accuracy and reliability of the new estimate;

(4) A statement of the actual costs of performance under this contract to the extent that they are available at the time of the negotiation of the revision of prices under this clause; and

(5) Any other relevant data usually furnished in the case of negotiations of prices under a new contract. The Government may examine and audit the Contractor's accounts, records, and books as the Contracting Officer considers necessary.

(e) *Negotiations.*

(1) Upon the filing of the statements and data required by paragraph (d) of this clause, the Contractor and the Contracting Officer shall negotiate promptly in good faith to agree upon prices for services the Contractor will perform on and after the effective date of the price revision.

(2) If the prices in this contract were established by competitive negotiation, they shall not be revised upward unless justified by changes in conditions occurring after the contract was awarded.

(3) The agreement reached after each negotiation will be incorporated into the contract by supplemental agreement.

(f) *Disagreements.* If, within 30 days after the date on which statements and data are required pursuant to paragraph (c) of this clause, the Contracting Officer and the Contractor fail to agree to revised prices, the failure to agree shall be resolved in accordance with the Disputes clause of this contract. The prices fixed by the Contracting Officer will remain in effect for the balance of the contract, and the Contractor shall continue performance.

(g) *Retroactive changes in wages or working conditions.*

(1) In the event of a retroactive wage adjustment, the Contractor or the Contracting Officer may request an equitable adjustment in the prices in this contract.

(2) The Contractor shall request a price adjustment within 30 days of any retroactive wage adjustment. The Contractor shall support its request with—

(i) An estimate of the changes in cost resulting from the retroactive wage adjustment;

(ii) Complete information upon which the estimate is based; and

(iii) A certified copy of the collective bargaining agreement, arbitration award, or other document evidencing the retroactive wage adjustment.

(3) Subject to the limitation in paragraph (g)(2) of this clause as to the time of making a request, completion or termination of this contract shall not affect the Contractor's right under paragraph (g) of this clause.

(4) In case of disagreement concerning any question of fact, including whether any adjustment should be made, or the amount of such adjustment, the disagreement will be resolved in accordance with the Disputes clause of this contract.

(5) The Contractor shall notify the Contracting Officer in writing of any request by or on behalf of the employees of the Contractor which may result in a retroactive wage adjustment. The notice shall be given within 20 days after the request, or if the request occurs before contract execution, at the time of execution.

(End of clause)

### **252.247-7007 Liability and Insurance.**

As prescribed in [247.270-4\(g\)](#), use the following clause:

(c) The general liability and responsibility of the Contractor under this clause are subject only to the following specific limitations. The Contractor is not responsible to the Government for, and does not agree to hold the Government harmless from, loss or damage to property or bodily injury to or death of persons if—

(1) The unseaworthiness of the vessel, or failure or defect of the gear or equipment furnished by the Government, contributed jointly with the fault or negligence of the Contractor in causing such damage, injury, or death; and

(i) The Contractor, his officers, agents, and employees, by the exercise of due diligence, could not have discovered such unseaworthiness or defect of gear or equipment; or

(ii) Through the exercise of due diligence could not otherwise have avoided such damage, injury, or death.

(2) The damage, injury, or death resulted solely from an act or omission of the Government or its employees, or resulted solely from proper compliance by officers, agents, or employees of the Contractor with specific directions of the Contracting Officer.

(d) The Contractor shall at its own expense acquire and maintain insurance during the term of this contract, as follows—

(1) Standard workmen's compensation and employer's liability insurance and longshoremen's and harbor workers' compensation insurance, or such of these as may be proper under applicable state or Federal statutes.

(ii) This approval will be given upon receipt of satisfactory evidence that the Contractor has qualified as a self-insurer under applicable provision of law.

(2) Bodily injury liability insurance in an amount of not less than \$300,000 on account of any one occurrence.

(3) Property damage liability insurance (which shall include any and all property, whether or not in the care, custody, or control of the Contractor) in an amount of not less than \$300,000 for any one occurrence.

(e) Each policy shall provide, by appropriate endorsement or otherwise, that cancellation or material change in the policy shall not be effective until after a 30 day written notice is furnished the Contracting Officer.

(f) The Contractor shall furnish the Contracting Officer with satisfactory evidence of the insurance required in paragraph (d) before performance of any work under this contract.

(g) The Contractor shall, at its own cost and expense, defend any suits, demands, claims, or actions, in which the United States might be named as a co-defendant of the Contractor, resulting from the Contractor's performance of work under this contract. This requirement is without regard to whether such suit, demand, claim, or action was the result of the Contractor's negligence. The Government shall have the right to appear in such suit, participate in defense, and take such actions as may be necessary to protect the interest of the United States.

(h) It is expressly agreed that the provisions in paragraphs (d) through (g) of this clause shall not in any manner limit the liability or extend the liability of the Contractor as provided in paragraphs (a) through (c) of this clause.

(i) The Contractor shall—

(1) Equitably reimburse the Government if the Contractor is indemnified, reimbursed, or relieved of any loss or damage to Government property;

(2) Do nothing to prevent the Government's right to recover against third parties for any such loss or damage; and

(3) Furnish the Government, upon the request of the Contracting Officer, at the Government's expense, all reasonable assistance and cooperation in obtaining recovery, including the prosecution of suit and the execution of instruments of assignment in favor of the Government.

(End of clause)
