Change Request (83-C)

October 24, 2017

The Food and Drug Administration is submitting this nonmaterial/non-substantive change request (83-C) to include a revised version of the associated Registration and Listing guidance. The change describes a 6-month extension for ingredient listing (0910-0650) provided to areas recently impacted by natural disasters.

OMB has concurred with the submission of this change request. There are no other changes to this collection.
