The Drug Enforcement Administration (DEA) seeks approval by the Office of Management and Budget (OMB) for a non-substantive change of an existing collection of information that was previously approved by OMB – OMB Approval# 1117-0004, Application for Permit to Export Controlled Substances – DEA Form 161, Application for Permit to Export Controlled Substances for Subsequent Reexport – DEA Form 161R, Application for Permit to Export Controlled Substances for Subsequent Reexport Among Members of the European Economic Area – DEA Form 161R–EEA.

Part A. Justification

Non-substantive change of an existing collection of information that was previously approved by OMB Approval # 1117-0004:

The DEA is requesting to add DEA Form 161R-EEA to the Information Collection Instrument List. DEA Form 161R-EEA was inadvertently added to the supporting statement section in the manage document section in ROCIS. The DEA has made the non-substantive change to reflect DEA Form 161R-EEA as a part of DEA Form 161R in the information collection instrument section of ROCIS.
