

EBSA FORM 700-- CERTIFICATION
(revised September 2017)

Public Health Service Act section 2713 requires, among other things, that certain group health plans and issuers provide benefits for women's preventive services without cost sharing as provided for in comprehensive guidelines supported by the Health Resources Services Administration (HRSA). The HRSA Guidelines provide an exemption for group health plans and student health insurance coverage established or maintained by entities that object to providing coverage for all or a subset of contraceptive services based on religious beliefs or moral convictions. However, an **optional** accommodation process is available for objecting entities that are exempt but choose to shift the otherwise applicable obligation to provide benefits for contraceptive services to its issuer or third party administrator. Objecting entities should note that if their issuer has their own religious or moral objection to providing contraception services, an issuer may also avail themselves of the exemption. Separately, third party administrators with an objection may also decline to enter or continue contracts as a third party administrator of the plan.

This form may, but is not required to, be used by an objecting entity to provide notice to its issuer or third party administrator that that the objecting entity has a sincerely held religious or moral objection to coverage of all or a subset of contraceptive services, pursuant to 26 CFR 54.9815-2713A, 29 CFR 2590.715-2713A, and 45 CFR 147.131. Alternatively, an objecting entity may also provide notice to the Secretary of Health and Human Services. A model notice is available at - <http://www.cms.gov/ccio/resources/Regulations-and-Guidance/index.html#Prevention>.

An organization may revoke its use of the accommodation process at a later date if it chooses to do so provided that written notice of any such revocation is given to participants and beneficiaries consistent with guidance issued by the Secretaries of Labor and Health and Human Services.

If you intend to utilize the optional accommodation process, please fill out this form completely and provide it to your plan's health insurance issuers (for insured coverage) or third party administrators (for self-insured coverage). This form should be made available for examination upon request and maintained on file for at least 6 years following the end of the last applicable plan year.
