Certificate of Participation

Thank you for joining thousands of employers in the 2017 Fall Prevention Stand-Down. This certificate of participation is yours in recognition of the time and effort you devoted to talk about preventing falls with your crew. Of course, every day should be fall prevention day, so I challenge you to build on the steps you took today. I hope you will keep talking to your employees and dedicating yourself to preventing falls at your worksites.

Sincerely,

Dean McKenzie, Director
Directorate of Construction

NOTICE: The Fall Prevention Stand-Down certificate will download as a PDF. It is recommended that you complete this form on a desktop or laptop computer with a screen resolution set at a MINIMUM of 1360 x 768 and the browser is maximized on the screen.

To download a certificate for your business's participation in the Stand-Down, please fill out the information below. Once you submit this information, you will receive a certificate (a printable PDF document will display) with your business name, project title and level of participation (depending on the number of years of participation). We also hope that you will help us by answering a few optional questions about your Safety Stand-Down and giving us feedback on our campaign. Please note that you are not required to request a certificate and that if you choose to do so OSHA will not use the information or feedback you provide for any purpose other than evaluating the Stand-Down campaign and planning future outreach efforts. Also note that the certificate does not represent an assessment of compliance with OSHA standards at your worksite(s).

Items marked * are mandatory to print the certificate.
