BURDEN HOURS

Category of Respondent	No. of Respondents	Participation Time	Total burden hours
Government entities and trade industry (two events per year)	500	15 minutes	125 hours
Totals	1000	15 minutes	250

FEDERAL COST: The estimated annual cost to the Federal Government associated with the review of these records is \$10,444. This is based on the number of responses that must be reviewed (1000) multiplied by (x) the time burden to review and process each response (0.1667 hours) = 166.7 hours multiplied by (x) the average hourly loaded rate for a CBP Trade and Revenue employee (\$61.76)^[1] = \$10,295. Plus \$149 for the annual cost of survey share.

PUBLIC COST: The estimated cost to the respondents is \$7,510. This is based on the estimated burden hours (250) multiplied by (x) the average loaded hourly wage rate for brokers (\$30.04). CBP calculated this loaded wage rate by first multiplying the Bureau of Labor Statistics' (BLS) 2016 median hourly wage rate for Cargo and Freight Agents (\$20.15), which CBP assumes best represents the wage for brokers, by the ratio of BLS' average 2016 total compensation to wages and salaries for Office and Administrative Support occupations (1.4762), the assumed occupational group for brokers, to account for non-salary employee benefits.^{1,2} CBP then adjusted this figure, which was in 2015 U.S. dollars, to 2017 U.S. dollars by applying a 1.0 percent annual growth rate to the figure, as recommended by the U.S. Department of Transportation's value of travel time guidance.³

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

² The total compensation to wages and salaries ratio is equal to the calculated average of the 2016 quarterly estimates (shown under Mar., June, Sep., Dec.) of the total compensation cost per hour worked for Office and Administrative Support occupations (\$25.3575) divided by the calculated average of the 2016 quarterly estimates (shown under Mar., June, Sep., Dec.) of wages and salaries cost per hour worked for the same occupation category (\$17.1775).
