

This request is for approval of an extension of OMB information collection number 1845-0052 the reporting requirements currently in the Student Assistance General Provisions, 34 CFR 668, Subpart I. This subpart governs the Immigration-Status Confirmation, as authorized by section 484(g) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1091). The regulations can be reviewed at [34 CFR 668, Subpart I](#).

There is a decrease in burden hours due to a decrease in the number of respondents who need to present documentation to the school to be included with the G-845 form to complete the confirmation of eligibility to receive Title IV assistance. There has not been any change to the regulatory language requiring this activity.
