This form must be submitted to the EIA by secure file transfer (SFT). SFT uses a secure method of transmission: HTTPS. This is an industry standard method to send information over the web using secure, encrypted processes. (It is the same method that commercial companies communicate with customers when transacting business on the web.) To use this service, we recommend the use of Microsoft Internet Explorer 8.0 or later or Mozilla Firefox 5.0 or later. Send your surveys using this secure method at:
