NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (13-120)]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

[[Page 61398]]

SUMMARY: The National Aeronautics and Space Administration, as part of under arental/adult supervision its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 30 calendar days from the date of this publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street NW., Washington, DC 20503. Attention: Desk Officer for the Office of NASA.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Frances Teel, NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JF000, Washington, DC 20546, Frances.C.Teel@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

In accordance with the President's initiative to create opportunities to advance science, technology, engineering, and mathematics (STEM) education, this clearance request pertains to the collection of information associated with the administration of electronic application/registration/volunteer forms, parental consent forms, media release forms, safety rules acknowledgement forms, and

participant feedback forms for the NASA Great Moonbuggy Race. This vehicular engineering activity connects classroom training to tangible activities that enable practical application of STEM disciplines, cultivates innovative thinking, and embraces teamwork. This event is inspired by the original lunar rover that piloted across the moon's surface on the early 1970's during Apollo 15, 16, and 17 missions. Participation is voluntary and targets high school and college students. Registration is required to participate.

II. Method of Collection

Electronic.

III. Data

Title: NASA Great Moonbuggy Race.

OMB Number: 2700-XXXX.

Type of review: New Information Collection.

Affected Public: Individuals or households, private sector.

Estimated Number of Respondents: 1,765.

Estimated Time per Response: Variable.

Estimated Total Annual Burden Hours: 118.

Estimated Total Annual Cost: \$16,460.00.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Frances Teel,
NASA PRA Clearance Officer.
