Accordingly, we may not conduct or sponsor and you are not required to respond to, a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this survey will average 10 minutes. This includes the time it will take to follow instructions, gather the necessary facts and respond to questions asked. Customer satisfaction is used to gauge customer perceptions of VA services as well as customer expectations and desires. Participation in this survey is voluntary and failure to respond will have no impact on benefits to which you may be entitled.

PURPOSE: The VetSuccess on Campus (VSOC) satisfaction survey will collect data aimed towards better understanding the VSOC customer experience. This may help VR&E improve existing services and expand awareness of the program in the future. The VSOC program aims to help Veterans, Servicemembers, and their qualified dependents succeed and thrive through a coordinated delivery of on-campus benefits assistance and counseling, leading to completion of their education and preparing them to enter the labor market in viable careers. The VSOC program provides a VA Vocational Rehabilitation Counselor (VRC) through VR&E to each VSOC school. VSOC Counselors provide numerous services, including, but not limited to: community and on-campus outreach, educational and vocational assessments and counseling, adjustment counseling, referrals for VA medical and mental health services, referrals to community organizations, and assistance applying for other VA benefits. Additional information about the program can be found on our website: <http://www.benefits.va.gov/vocrehab/vsoc.asp>.
