

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 2900-0770)

TITLE OF INFORMATION COLLECTION:

VA Community Care Provider Satisfaction Survey

PURPOSE:

The Veterans Health Administration Office of Community Care (VHA OCC) will use the information gathered as a result of this survey to focus specifically on the satisfaction of community providers who deliver health care services to Veterans through the Department of Veterans Affairs (VA) Community Care program in order to identify problems or complaints that require attention and to improve the satisfaction and quality of services delivered to community providers by OCC.

The resulting data will be used to demonstrate that OCC is providing timely, high-quality services to community care providers and to measure improvement in the efficiencies of VA Community Care processes and communications toward the goal of meeting or exceeding internal benchmark performance.

DESCRIPTION OF RESPONDENTS:

The pool of respondents will consist of an annual sampling of approximately 10,000 community providers delivering health care services to Veterans through traditional VA Community Care within the 3 months leading up to the annual data extraction.

A survey invitation letter will be sent to the sampling of community providers who provide healthcare services to Veterans through VA Community Care. The invitation letter will contain a Web link to the VA Community Care Web site in order to access the survey instrument which resides in the Web-based survey tool, Survey Monkey. A phone number will also be provided in the letter for the provider to request a paper copy of the survey instrument, in lieu of using the Web-based option.

A survey reminder letter will be sent to the same sampling of providers approximately two weeks after the invitation was sent to either remind the provider to take the survey or thank them for taking the survey.

Please make sure that all instruments, instructions, and scripts are submitted with the request.
