**SUPPLEMENTARY INFORMATION:**

*Authority:* 38 U.S.C. 5901, 5904; 38 CFR 14.629, 14.636.

*Title:* Application for Accreditation as a Claims Agent or Attorney, Filing of Representatives’ Fee Agreements and Motions for Review of Such Fee Agreements.

*OMB Control Number:* 2900–0605.

*Type of Review:* Reinstatement of a previously approved collection.

*Abstract:* Applicants seeking accreditation as claims agents or attorneys to represent benefits claimants before VA must complete VA Form 21a. The applicant is required to file the application with OGC to establish initial eligibility for accreditation. The information requested includes basic identifying information, as well as certain information concerning training and experience, military service, and employment. The information is used to evaluate qualifications, ensure against conflicts of interest, and to establish that statutory and regulatory eligibility requirements, *e.g.*, good character and reputation, are met. If a potential area of concern is identified on the application, additional information may be requested. Applicants who become accredited as agents and attorneys may not lawfully represent claimants without completing and maintaining accreditation requirements. The data is used to determine the applicant’s eligibility for accreditation as a claims agent or attorney. The information collected with regard to an attorney or agent’s good standing with other courts, bars, and Federal and State agencies and completion of their ongoing CLE requirements is used by OGC in monitoring accredited attorneys and agents to determine whether they continue to have the appropriate character and reputation and that they remain fit to prepare, present, and prosecute VA benefit claims.

The data collected under Filing of Representatives’ Fee Agreements is used by OGC to associate the fee agreement with the attorney or agent of record and for potential use in a reasonableness review. The fee agreement information is used by VA’s Veterans Benefits Administration (VBA) to associate the fee agreement with the claimant’s claims file for potential use in processing as the direct payment of a fee from the claimant’s past-due benefits award. The information provided in the fee agreements are used by both VBA and OGC to determine whether they are in compliance with the statutes and regulations governing paid representation. The data collected under Motions for Review of Such Fee Agreements is used when a motion is filed by a claimant or raised sua sponte by VA to determine the reasonableness of an agent or attorney fee from a claimant’s award of VA benefits. Also, when a claimant receives an award of benefits and has retained more than one attorney or agent who has been found eligible for direct payment of fees, the data is used to determine each of the attorney’s or agent’s contribution to and responsibility for the ultimate outcome of the claimant’s claim.
