# Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 3135-0130)

TITLE OF INFORMATION COLLECTION: Survey for Blue Star Museums of Online Activities

#### **PURPOSE:**

The purpose of this information collection is to solicit opinions from museum administrators who have signed up to participate in the Blue Star Museums (BSM) program during the summer of 2020. BSM is a program that offers free admission to museums for all active duty military personnel and their families, and typically runs from Armed Forces Day through Labor Day each year. These include children's museums, fine art museums, history and science museums, and nature centers.

In-person programming for Blue Star Museums participating institutions is on hold as a result of COVID-19. The Agency is exploring postponing the start date of official onsite activities and in the interim would like to offer the program in an online capacity. This survey will help us understand who is offering virtual programming and whether or not they would like us to promote that as part of interim offerings. This feedback will be used to improve customer service and to plan for the 2020 launch. See Attachment 1 for the Survey.

More detail regarding the BSM program can be found here: <a href="http://arts.gov/national/blue-star-museums">http://arts.gov/national/blue-star-museums</a>
