

APPENDIX E: Museum Telephone Interview Invitation

Hello <<contact name>>,

You indicated you were willing to participate in a follow up interview about the implications of participating in the *Museums for All* program on your institution.

Like the survey you completed, the questions the interview is intended to help us understand how institutions participating in the *Museums for All* program think about the program so far, as well as how they think about its future directions. The interview should take 30 minutes or less to complete.

I will be following up with you in the next few days to find a half-hour block of time that works for your schedule.

Thank you for your willingness to participate in this study!
