## Additional Regulations:

The following regulations and conditions are in effect for the Tuolumne River. This is a part of your permit.

1. Group size is limited to 26 people, 6 rafts.
2. Maximum trip length is 3 days (2 nights).
3. Each person must wear a Coast Guard approved Type One, Type Three, or Type Five personal floatation device (PFD) at all times while on the river and each boat must carry one extra PFD. For groups of 2 or more boats, 2 extra PFD's per group are required. PFD's must be in good and serviceable condition at the time of launch. Helmets are required for kayakers and all floaters on the Upper Tuolumne.
4. Each boat must have an extra oar or paddle as applicable, and throw line. Also, 20 feet of mooring line and a coil of at least 100 feet of extra line for emergencies (wrapped boats, etc.).
5. A first-aid kit, adequate for the size of group involved, must be carried.
6. An adequate repair kit must be with each group.
7. An air pump must be carried on all inflatable boats. For groups of 2 or more boats, 2 pumps per group are required.
8. Litter of any kind may not be discarded in the rivers, along the shore, or in adjacent canyons. Burn or carry out all burnables. Carry out all unburnable material including cans, bottles, left - over food, egg shells, melon rinds, and cigarette butts. Liquid garbage must be strained into sump holes, through a fine mesh screen capable of holding small food particles, and the particles then placed in garbage containers or bags to be carried out of the canyon. Sump holes are to be dug away from camp and above the high-water line.
9. All trips must carry portable toilets. All portable toilet waste must be carried out and deposited in an authorized sewage disposal facility.
10. Build campfires only on sand bars and at least ten feet away from vegetation or combustible material. Use charcoal or driftwood from along the riverbank below high-water line. Wood and charcoal fires are allowed in fire pans only. No fires in rock rings or on the ground. Keep a pail of water near the fire and be sure fire is completely extinguished before leaving the site. All ash and charcoal must be carried out of the canyon. Do not cut or burn live trees or standing dead trees.
11. Wash dishes away from river. Do not bathe or wash in the river or any tributary streams.
12. Do not remove, damage, or destroy any archeological, historical, or ecological resources.
