**Patent Trial and Appeal Board (PTAB) Actions**  
**OMB Control Number 0651-0063**

Background

The United States Patent and Trademark Office (USPTO) administers the Leahy-Smith America Invents Act (AIA), Section 10, which sets or adjusts patent fees established authorized, or charged under Title 35, United States Code (U.S.C.). Section 10 prescribes that fees may be set or adjusted only to recover the aggregate estimated costs to the Office for processing, activities, services, and materials related to patent. Section 10 authorities also includes flexibility to set individual fees in a way that furthers key policies factors, while taking into account the cost of the respective services.

The request is to update a fee (Forwarding an Appeal in an Application or Ex Parte Reexamination Proceeding to the Board) attached to this collection that is being updated as a result of the rulemaking action NPRM 0651-AD02.
