

## Screeners for FDA IMPROVE Survey

### ACP & AANP Eligibility Criteria

The eligibility screening process is conducted using a preexisting database before participants are contacted via email and therefore bears no burden on participants. Both AANP and ACP participants will be screened based on the following criteria:

1. Gender  
[QUOTA: recruit representative mix. ]
2. Age [QUOTA: 35-65 years]
3. US vs International Medical Graduate [QUOTA: recruit a representative mix.]
4. Member class
  - Member
  - Fellow
  - Master of the College[QUOTA: recruit Members and Fellows. Masters do not see patients.]
5. Primary specialty.  
[QUOTA: recruit Internal Medicine for broadest prescribing base.]
6. Amount of time in direct patient care
  - <25%
  - 25-49%
  - 50-74%
  - 75%+[QUOTA: recruit 50-74% and 75% participants.]
7. Location of patient care (inpatient vs. outpatient) [QUOTA: recruit outpatient.]

### Sample Recruitment Email

Subject: You've been selected to participate in the 2016 IMPROVE Survey!

Your name has been selected to participate in the \_\_\_\_\_, a nationwide survey being conducted by the University of Chicago in collaboration with the FDA. This survey will collect information to provide \_\_\_\_\_. Please take twelve minutes and take this survey online. Your participation in this survey is voluntary and you can exit at any time. Whether or not you choose to participate will not affect your relationship with AANP/ACP. Submission of this survey is considered implied consent. Your responses are confidential. If you have any questions, please contact the AANP/ACP Research Department by email at <email> or by phone at <phone>.
