

Application Received Confirmation Email

Subject line: Diabetes Prevention Recognition Program Application Received

Email Body

Thank you for your application to the Diabetes Prevention Recognition Program (DPRP). If you indicated that you will be using either the 2012 National Diabetes Prevention Program Curriculum or the PreventT2 Curriculum, you will be notified within 15 working days regarding the outcome of your application.

If you indicated that you will be using an alternate curriculum and you submitted your full, yearlong alternate curriculum with your application, you will be notified within 4-6 weeks by the DPRP regarding the outcome.

The information that you provided in your application is reproduced below. If you wish to correct an error or withdraw your application, or if you have any other questions about your application or the DPRP, please contact the Recognition Program staff at DPRPask@cdc.gov.

Your DPRP Application Information:
