

Attachment G – APHL Survey Promotional Campaign Announcement Post-launch

On [Day/Month/Year], APHL distributed a survey to select state and local laboratory directors to determine activities, capabilities, capacities and needs related to quality management systems for Next Generation Sequencing. If you received an invitation via email, please reply by [Day/Month/Year]. If you are a state or local laboratory director and did not receive this survey but would like more information, please contact christin.hanigan@aphl.org or visit www.cdc.gov/labquality/ngs-quality-initiative.
