

Attachment F – APHL Survey Promotional Campaign Announcement

On [Day/Month/Year], APHL will distribute a survey to select state and local laboratory directors to determine activities, capabilities, capacities and needs related to quality management systems for Next Generation Sequencing. If you receive an invitation via email, please reply by [Day/Month/Year]. If you are a state or local laboratory director and would like more information, please contact christin.hanigan@aphl.org or visit www.cdc.gov/labquality/ngs-quality-initiative.
