Dear NAME,

Thank you for completing the NCCCP Assessment. Your feedback is extremely important to CDC and ICF. The feedback you provided will be combined with responses from other program directors. Findings will be shared broadly at interim time points during the DP17-1701 cycle and will be used to develop recommendations to CDC for program improvement.

If you have any questions about the assessment, please feel free to contact NAME at E-MAIL ADDRESS or at PHONE NUMBER.

Many thanks, again, for your time and participation in this important assessment.
