### Conditions of Use and Logon

This is a U.S. Federal Government system and shall be used only by authorized persons for authorized purposes. Users do not have a right to privacy in their use of this government system. System access, activity, and information stored or transmitted may be monitored for adherence to acceptable use policy. Users of this system hereby consent to such monitoring. Improper or illegal use detected may result in further investigation for possible disciplinary action, civil penalties, or referral to law enforcement for criminal prosecution. This system contains non-public information that must be protected from unauthorized access, disclosure, sharing, and transmission violation of which can result in disciplinary action, fines, and/or criminal prosecution.

By logging into this application, I understand and agree to use the application in the manner in which it is intended. I agree to keep my user ID or password secured, not allowing others access. Unauthorized access to information or information systems is prohibited. Failure to comply with these rules will result in loss of access.

**Funded FOA users:** Type the User ID and password assigned to you for this application.

- Passwords are case-sensitive.
- For security reasons, a period of 45 or more minutes of inactivity requires that you log in again.
- After 5 unsuccessful attempts to log in, your account will be temporarily locked for 15 minutes.

### Session Time Out Warning

For your security, your CDMIS session will time out after 45 minutes of inactivity. Any information that has not been saved will be lost. After 35 minutes of inactivity, you will receive a pop-up message indicating your remaining time. If you choose to continue your session, your time will be extended by 45 additional minutes.
