Create Treatment Report

You should complete at least one report per treatment phase per MU.

Notice: You are about to report costs for the treatment of this MU during one treatment phase. PAMF will use this information to recommend the best, most cost effective annual treatment for your MU. PAMF will not share the specific costs you or your contractor incurred while treating this or any MU you have enrolled.

I am willing and able to provide cost-related values.

Yes
 No

Management Unit

Lakeshore Apts

Date of Treatment Completion

mm/dd/yyyy

Phase

Translocating
 Dormant
 Growing

Did you treat your management unit (MU) under the recommendation you received?

Yes
 No

Which treatment method did you apply?

Glyphosate
 Imazapyr
 Glyphosate+
 Rest
 Cut Underwater

Spading
 Pre-flood Clearing
 Remove Biomass
 Flood
 Mechanical (and leave biomass)
 Other

Please fill out the information according to the treatment method you applied.

PRA statement appearing in pop-up box:

PAPERWORK REDUCTION ACT STATEMENT: A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Public burden for the collection of this information is estimated to average 1.5 hours over the year per respondent, inclusive of field measurements. Comments regarding this collection of information should be directed to the Bureau Clearance Officer, U.S. Geological Survey, 807 National Center, VA 20192. OMB NO. 1028-NEW Expiration date: MM/DD/YYYY.

Privacy Act statement appearing in pop-up box:

PRIVACY ACT STATEMENT: Collection and use is covered by Privacy Act System of Records OPM/GOVT-1 and USDA OP-1, and is consistent with the provisions of 5 USC 552a (Privacy Act of 1974), which authorizes acceptance of the information requested on this form. The data will be used to maintain official records of volunteers of the USDA and USDI for the purposes of tort claims and injury compensation. Furnishing this data is voluntary, however if this form is incomplete, enrollment in the program cannot proceed.
