Paperwork Reduction Act Statement OMB Burden Disclosure Statement

This data is being collected for manufacturers to certify compliance to DOE's energy conservation, water conservation, or design standards. The data you supply will be used by the Department to monitor compliance with the energy conservation, water conservation, and design standards and testing requirements for the consumer products and commercial and industrial equipment mandated by the Energy Policy and Conservation Act, as amended.

Public reporting burden for this collection of information is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-23, Paperwork Reduction Project (1910-1400), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-1400), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

Submission of this data is mandatory.

Instructions for CCMS Reporting Certification & Templates

You are currently on the Instructions sheet. Please refer to these instructions when completing the Certification and Input sheets.

Use your mouse, the "Tab" key and/or arrows on your keyboard to navigate through the fillable fields in both the Certification and Input sheets. If all fields have been completed correctly, the "Status" indicators on the top of the Certification sheet and the top of the Input sheet will show "OK" in green.

- If these indicators read "Error" in red on the Certification sheet, look for an explanation in the column to the right of the entry field.

- If these indicators read "Error" in red on the Input sheet, look for explanations about incomplete/incorrect field entries by looking in the mirrored cells to the far right of the sheet.

Please go to https://www.regulations.doe.gov/contact-us if you have any questions about the regulations or need help with the template.

Please click on the tab for the Certification Sheet at the bottom of the page:

For Private Labeler - Provide all of the brand name(s):
