

**Request for Approval under the “Generic Clearance for the Collection of
Routine Customer Feedback” (OMB Control Number: 2010-0042)**

TITLE OF INFORMATION COLLECTION: Region 9 Training Survey

PURPOSE:

The EPA Region 9 office is requesting approval to conduct a pre-training survey for EPA-sponsored trainings in Region 9. Region 9 would like to collect this information from potential participants so Region 9 can better prepare for the training sessions and cover topics that are of great interest or importance to participants. Region 9 is seeking a multi-year clearance for this pre-training survey because providing training to local professionals and community members is a part of our standard duties to build capacity at the local level to address environmental health issues. Soliciting input from the training audience before the event maximizes the utility of the training.

DESCRIPTION OF RESPONDENTS:

Respondents would include promoters, community health workers, healthcare professionals, public health professionals, environmental professionals, home visitors, community members, childcare providers, and school personnel.
