

Web-based Pollution Prevention Regional Information Center (P2RIC) Satisfaction Survey
OMB Control Number 2010-0042, EPA ICR Number 2434.47

Please help the Pollution Prevention Information Center (P2RIC) improve our services.

1. Pollution Prevention (P2) Headlines weekly electronic newsletter.

- I usually read this newsletter, covering current and emerging P2 information from the region, and am satisfied with it.
- I occasionally read this newsletter, covering current and emerging P2 information from the region, and am satisfied with it.
- I have read this newsletter but am not satisfied with the content.
- I do not have a need for current and emerging P2 information.

Please provide any additional comments. (Optional)

2. A Look Ahead newsletter with upcoming P2 webinars and events.

- I usually read this newsletter, covering P2 webinars, events, and training, and am satisfied with it.
- I occasionally read this newsletter, covering P2 webinars, events, and training, and am satisfied with it.
- I have read this newsletter but am not satisfied with its content.
- I do not have a need for P2 webinars, events, and training.

Please provide any additional comments. (Optional)

3. P2 InfoHouse database of P2 technical information.

- I usually find P2 technical information on P2 InfoHouse, either by going there directly or via web search engine, and am satisfied with the information there.
- I occasionally find P2 technical information on P2 InfoHouse, either by going there directly or via web search engine, and am satisfied with the information there.
- I have searched for P2 technical information on P2 InfoHouse, but am not satisfied with the information there. (3)
- I have no need for archived P2 technical information.

Please provide any additional comments. (Optional)

4. Region 7 P2 Roundtable website.

- I usually find information I'm looking for about the Region 7 P2 Roundtable on the website, and am satisfied with the information there.
- I occasionally find information I'm looking for about the Region 7 P2 Roundtable on the website, and am satisfied with the information there.
- I have searched for information about the Region 7 P2 Roundtable on the website, but am not satisfied with the information there.
- I have no need for information about the Region 7 P2 Roundtable.

Please provide any additional comments. (Optional)

5. Which of these kinds of information would be useful to you?

	Extremely useful	Very useful	Moderately useful	Slightly useful	Not at all useful
Technical case studies with specific technical details, calculations, and key elements for success	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Example case studies to promote "diffusion of innovation" – publicize that others are doing this in the state or region	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Motivations beyond saving money to get businesses to change – like health risk information, safety benefits, or threat of chemical ban	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Policy examples and tracking tools for source reduction and/or waste diversion (zerowaste)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Behavior change and community outreach documents/tools	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boiler-plate information we can put our name on and use, for P2 week or Earth Day, for example	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Social media promotion (Facebook, Twitter, blogs)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Tools or workshops we could use to help drive home the meaning of P2	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please provide any comments or suggestions for the P2RIC program.
