Thank you for taking the time to participate in our survey. Your feedback will help improve eSIPS (electronic state implementation plans). The following survey contains 12 questions and should take you approximately 3 minutes to complete.

Form Management & Submission Process

- 1. How would you rank your difficulty in preparing and certifying your SIP material using eSIPS?
 - Easy
 - i. Please explain your ranking:
 - Occasionally difficult
 - i. Please explain your ranking:
 - Somewhat difficult
 - i. Please explain your ranking:
 - Regularly Difficult
 - i. Please explain your ranking:
 - Extremely Difficult
 - i. Please explain your ranking:
- 2. Would you like to have the ability to revise a previously submitted form from within eSIPS that would copy over the previously submitted content into a new submission form?
 - Yes
 - No
 - i. Please explain your response
- 3. Would you like to have the ability to withdraw a previously submitted form from within eSIPS?
 - Yes
 - No
- i. Please explain your response
- 4. Are the email notifications generated by eSIPS clear and concise?
 - Yes
 - No
 - i. Please provide any suggestions to improve email notifications
- 5. If submission of SIP materials through eSIP becomes a requirement, would you welcome this regulatory requirement?
 - Yes
 - i. Please explain your response
 - No
 - i. Please explain your response
- 6. Do you prefer uploading supporting materials within the applicable section of the eSIP form or providing a document upload option at the end of the eSIP form?
 - Upload files within each page/applicable section

- Upload all files at the end of the form
- No opinion
- 7. Would you prefer to submit multiple SIP submission types within a single submission, or create a separate submission for each SIP submission type (i.e.: Submit a single submission containing Infrastructure SIP requirements and Attainment Plan requirements)?
 - Consolidate multiple plan categories within a single submission
 - Separate plan categories into multiple submissions
 - No opinion
- 8. Would you find it helpful to pre-populate the eSIP form with required elements by standard and area and allowing for you to select which required elements are included in your submission?
 - Yes, this would be helpful addition.
 - No, I'm not interested in this capability
 - i. Please explain your response
 - No opinion
- 9. Do you have any other suggestions for new enhancements to the eSIP form or any other ways to improve the reporting process?

Help Resources

- 10. Which of the following resources have you used?
 - \Box Job Aides
 - i. Please rank the usefulness of this resource.
 - Very Satisfied
 - Somewhat Satisfied
 - Neutral
 - Somewhat Dissatisfied
 - Very Dissatisfied
 - I have not used this material
 - eSIPS Home Page
 - ii. Please rank the usefulness of this resource.
 - Very Satisfied
 - Somewhat Satisfied
