Use this notice and the attached application to submit a claim for veterans' disability compensation and related compensation benefits. This notice informs you of the evidence necessary to decide your claim. After you submit your claim on the attached application you **will not** receive an initial letter regarding your claim. You **do not** need to submit another application.

Want to apply electronically? You can apply for VA disability compensation and pension online through eBenefits at www.ebenefits.va.gov. For disability compensation claims, you can also upload all supporting evidence you may have and make your claim a Fully Developed Claim (FDC). To file a claim for VA disability compensation electronically, go to eBenefits, select Apply for Benefits and then Apply for Disability Compensation. You will need to create an eBenefits account to apply for disability compensation online. To file a claim for VA pension electronically, go to eBenefits, select Apply for Benefits, and then select Apply for Veterans Benefits via VONAPP. Once you submit your claim, you can track the status using eBenefits.

NOTE: You may wish to contact an accredited veteran service officer (VSO) to assist you with your application. For a list of accredited veteran service organizations go to <https://www.va.gov/vso/>. You may also contact your state office of veterans affairs at <https://www.va.gov/statedva.htm>, should you need further assistance with the application process.

Want your claim processed faster? The FDC Program is the **fastest** way to get your claim processed and there is no risk to participate! To participate in the FDC Program, if you are making a claim for veterans disability compensation or related compensation benefits, simply submit your claim in accordance with the "FDC Criteria" shown below. If you are making a claim for veterans non service-connected pension benefits, use VA Form 21P-527EZ, *Application for Pension*. If you are making a claim for survivor benefits, use VA Form 21P-534EZ, *Application for DIC, Death Pension, and/or Accrued Benefits*. VA forms are available at www.va.gov/vaforms. A separate expedited claims processing program available for current active duty Servicemembers is explained on page 5 under *Compensation Claims Submitted Prior to Discharge*.

NOTE: Participation in the FDC Program is optional and will not affect the benefits to which you are entitled. If you file a claim in the FDC Program and it is determined that other records exist and VA needs the records to decide your claim, then VA will simply remove the claim from the FDC Program (Optional Expedited Process) and process it in the Standard Claim Process. See below for more information. If you wish to file your claim in the FDC Program, see FDC Program (Optional Expedited Process). If you wish to file your claim under the process in which VA traditionally processes claims, see Standard Claim Process.

EVIDENCE TABLES

Disability Service Connection
<p>To support a claim for service connection, the evidence must show:</p> <ul style="list-style-type: none"> You had an injury in service, or a disease that began in or was made permanently worse during service, or there was an event in service that caused an injury or disease; AND You have a current physical or mental disability. This may be shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that are visible or observable; AND A relationship exists between your current disability and an injury, disease, symptoms, or event in service. This may be shown by medical records or medical opinions or, in certain cases, by lay evidence. <p>However, under certain circumstances, VA may presume that certain current disabilities were caused by service, even if there is no specific evidence proving this in your particular claim. The cause of a disability is presumed for the following veterans who have certain diseases:</p> <ul style="list-style-type: none"> Former prisoners of war; Veterans who have certain chronic or tropical diseases that become evident within a specific period of time after discharge from service; Veterans who were exposed to ionizing radiation, mustard gas, or Lewisite while in service; Veterans who were exposed to certain herbicides, such as by serving in Vietnam; or Veterans who served at Camp Lejeune for no less than 30 days (consecutive or nonconsecutive) between August 1, 1953 and December 31, 1987; or Veterans who served in the Southwest Asia theater of operations during the Gulf War. <p>To support a claim for service connection based upon a period of active duty for training, the evidence must show:</p> <ul style="list-style-type: none"> You were disabled during active duty for training due to disease or injury incurred or aggravated in the line of duty; AND You have a current physical or mental disability. This may be shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that are visible or observable; AND There is a relationship between your current disability and the disease or injury incurred or aggravated during active duty for training. This may be shown by medical records or medical opinions or, in certain cases, by lay evidence. <p>To support a claim for service connection based upon a period of inactive duty training, the evidence must show:</p> <ul style="list-style-type: none"> You were disabled during inactive duty training due to an injury incurred or aggravated in the line of duty or an acute myocardial infarction, cardiac arrest, or cerebrovascular accident during inactive duty training; AND You have a current physical or mental disability. This may be shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that are visible or observable; AND There is a relationship between your current disability and your inactive duty training. This may be shown by medical records or medical opinions or, in certain cases, by lay evidence. <p>In order to reopen a claim previously denied by VA, we need new and material evidence. New and material evidence must raise a reasonable possibility of substantiating your claim. The evidence cannot simply be repetitive or cumulative of the evidence we had when we previously decided your claim. VA will make reasonable efforts to help you obtain currently existing evidence. However, we cannot provide a medical examination or obtain a medical opinion until your claim is successfully reopened.</p> <ul style="list-style-type: none"> To qualify as new, the evidence must currently exist and be submitted to VA for the first time. In order to be considered material, the additional existing evidence must pertain to the reason your claim was previously denied.

Secondary Service Connection
<p>To support a claim for compensation based upon an additional disability that was caused or aggravated by a service-connected disability, the evidence must show:</p> <ul style="list-style-type: none"> You currently have a physical or mental disability shown by medical evidence or by lay evidence of persistent and recurrent symptoms of disability that are visible or observable, in addition to your service-connected disability; AND Your service-connected disability either caused or aggravated your additional disability. This may be shown by medical records or medical opinions or, in certain cases, by lay evidence. However, VA may presume service-connection for cardiovascular disease developing in a claimant with certain service-connected amputation(s) of one or both lower extremities.

EVIDENCE TABLES (Continued)

Increased Disability Compensation

If VA previously granted service connection for your disability and you are seeking an **increased evaluation** of your service-connected disability, we need medical or lay evidence to show a worsening or increase in severity and the effect that worsening or increase has on your ability to work.

Compensation Claims Submitted Prior to Discharge

Under the Benefits Delivery at Discharge (BDD) program you can submit a disability claim 90 to 180 days prior to your anticipated separation date from active duty. Claims are accepted from active duty Servicemembers, including reservists serving on active duty in an Active Guard Reserve (AGR) role under 10 U.S.C. and full-time National Guard members serving in an AGR role under 32 U.S.C.

BDD program participants can have their VA medical examinations conducted while they are still on active duty. You are encouraged to file your claim as close to the 180 day mark as possible to ensure your examinations can be scheduled and completed prior to your discharge from active duty. The BDD program requires that Servicemembers be available to report for examinations for 45 days following submission of a disability claim. Claims and additional contentions received with less than 90 days remaining on active duty, claim types that are excluded from the BDD program, or where the Servicemember is unable to report for an examination within the BDD required time frame will be processed under the standard VA claims process, the Fully Developed Claim (FDC) program or any other qualifying program.

BDD Program Criteria for Claim(s) for Disability Compensation and Related Compensation Benefits Submitted Prior to Separation from Active Duty:

- be within 90 to 180 days of discharge;
- be available to report for examinations for 45 days following the submission of a disability claim;

- The surgery or treatment was for a service-connected disability; **AND**
- The surgery required convalescence of at least one month; **OR**
- The surgery resulted in severe postoperative residuals, such as incompletely healed surgical wounds, stumps of recent amputations, therapeutic immobilizations, house confinement, or the required use of a wheelchair or crutches; **OR**
- One major joint or more was immobilized by a cast without surgery.

Individual Unemployability

In order to support a claim for a **total disability rating based on individual unemployability**, the evidence must show:

- That your service-connected disability or disabilities are sufficient, without regard to other factors, to prevent you from performing the mental and/or physical tasks required to get or keep substantially gainful employment; **AND**
- Generally, you meet certain disability percentage requirements as specified in 38 Code of Federal Regulations 4.16 (i.e. one disability ratable at 60 percent or more, **OR** more than one disability with one disability ratable at 40 percent or more and a combined rating of 70 percent or more).

In order to support a claim for an **extra-schedular evaluation based on exceptional circumstances**, the evidence must show:

- That your service-connected disability or disabilities present such an exceptional or unusual disability picture, due to such factors as marked interference with employment or frequent periods of hospitalization, that application of the regular schedular standards is impractical.

Compensation Under 38 U.S.C. 1151

In order to support a claim for **compensation under 38 U.S.C. 1151**, the evidence must show that, as a result of VA hospitalization, medical or surgical treatment, examination, or training, you have:

- An additional disability or disabilities; **OR**

- You are bedridden, in that your disability or disabilities requires that you remain in bed apart from any prescribed course of convalescence or treatment (38 Code of Federal Regulation 3.352(a)).

In order to support a claim for **increased benefits based on an additional disability or being housebound**, the evidence must show:

- Amyotrophic lateral sclerosis (ALS); **OR**
- Loss (amputation) or loss of use of:
 - *both* lower extremities; **OR**
 - *one* lower extremity **and** *one* upper extremity affecting balance **or** propulsion; **OR**

- Loss (amputation) or loss of use of
 - *one* or *more* lower extremities, severely affecting the functions of balance or propulsion and creating a need for regular, constant use of a wheelchair, braces, crutches or canes as a normal mode of getting around (although getting around by other methods may occasionally be possible).

- (4) amyotrophic lateral sclerosis (ALS).

NOTE - You may be entitled to **only** adaptive equipment if you have ankylosis ("freezing") of at least one knee or one hip due to service-connected disability. Helpless Child

To support a claim for **benefits based on a veteran's child being helpless**, the evidence must show that the child, before his or her 18th birthday, became permanently incapable of self-support due to a mental or physical disability.

IMPORTANT: For additional benefits to be payable for a child, the veteran must be entitled to compensation and evaluated as 30 percent or more disabling.

HOW VA DETERMINES THE EFFECTIVE DATE.

If we grant your claim, the beginning date of your entitlement or increased entitlement to benefits will generally be based on the following factors:

- When we received your claim, **OR**
- When the evidence shows a level of disability that supports a certain rating under the rating schedule

If VA received your claim prior to or within one year of your separation from the military, entitlement will be from the day following the date of your separation as long as the disability was present at that time.

HOW VA DETERMINES THE DISABILITY RATING.

When we find disabilities to be service-connected, we assign a disability rating. That rating can be changed if there are changes in your condition. Depending on the disability involved, we will assign a rating from 0 percent to as much as 100 percent. VA uses a schedule for evaluating disabilities that is published as title 38, Code of Federal Regulations, Part 4. In rare cases, we can assign a disability level other than the levels found in the schedule for a specific condition if your impairment is not adequately covered by the schedule.

We consider evidence of the following in determining disability rating:

- Nature and symptoms of the condition;
- Severity and duration of the symptoms; **AND**
- Impact of the condition and symptoms on employment.

Examples of evidence that you should tell us about or give to us that may affect how we assign a disability evaluation include the following:

- Information about on-going treatment records, including VA or other Federal treatment records, you have not previously told us about;
- Social Security determinations;
- Statements from employers as to job performance, lost time, or other information regarding how your condition(s) affect your ability to work; **OR**
- Statements discussing your disability symptoms from people who have witnessed how the symptoms affect you.

ARE YOU REQUESTING EXPEDITED PROCESSING DUE TO BEING HOMELESS OR IN DANGER OF BECOMING HOMELESS?

To support a request for **homeless processing**, you must show:

- You are presently homeless or in danger of becoming homeless
- You must have the following service qualifications:
 - 90 days of consecutive service; **OR**
 - 90 days of combined service; **OR**
 - were discharged prior to 90 days of service due to injury; **AND**
 - Have other than dishonorable military service
- You have a documented disability. You are considered having a documented disability if medical evidence shows:
 - Current diagnoses of a disease, disorder, injury, or illness; **OR**
 - Receiving Social Security disability benefits; **OR**
 - Have a disability reasonably certain to continue throughout your lifetime
- Your net worth and income do not exceed certain requirements

IMPORTANT INFORMATION ON MILITARY RETIRED PAY (Includes all Uniformed Services Retired Pay):
 Submission of this application constitutes a waiver of military retired pay in an amount equal to VA compensation awarded, if you are entitled to both benefits. Your retired pay may be reduced by the amount of VA compensation awarded. Receipt of the full amount of military retired pay and VA compensation at the same time **may** result in an overpayment, which **may** be subject to collection. If you qualify for concurrent receipt of VA compensation and military retired pay, the waiver of retired pay will not apply. If you do not want to waive any retired pay to receive VA compensation, you should check the box in **Item 26**. **Note that if you check the box in Item 26, you will not receive VA compensation, if granted. If you are currently in receipt of VA compensation and you check the box in Item 26, your VA compensation will be terminated, if you are also eligible for military retired pay.**

IMPORTANT: VA COMPENSATION PAY IS NON-TAXABLE. THEREFORE, VA COMPENSATION PAY MAY BE THE GREATER BENEFIT.

26. Do NOT pay me VA compensation. I do NOT want to receive VA compensation in lieu of retired pay.

IMPORTANT INFORMATION ON SEPARATION/SEVERANCE PAY:
 VA compensation, if granted, may be withheld to recoup any disability severance or separation pay such as involuntary separation pay (ISP), voluntary separation pay (VSP), or special separation benefit (SSB), you receive from your branch of service. In addition, if you receive a Voluntary Separation Incentive (VSI), your VSI payments may be reduced if you are awarded VA compensation. Receipt of VA compensation and VSI at the same time may result in an overpayment of VSI, which **may** be subject to collection.

27A. HAVE YOU EVER RECEIVED SEPARATION PAY, DISABILITY SEVERANCE PAY, OR ANY OTHER LUMP SUM PAYMENT FROM YOUR BRANCH OF SERVICE?

YES (If "Yes," complete Items 27B through 27D)

---	-------------------------------	---

IMPORTANT INFORMATION ON INACTIVE DUTY TRAINING PAY:
 You may elect to keep the active or inactive duty training pay you received from the military service department. However, to be legally entitled to keep your training pay, you must waive VA benefits for the number of days equal to the number of days for which you received training pay. In most instances, it will be to your advantage to waive your VA benefits and keep your training pay.

If you waive VA benefits to receive training pay by checking the box in **Item 28**, VA will retroactively adjust your VA award to withhold benefits equal to the total number of training days waived and at the monthly rate in effect for the fiscal year period for which you received training pay. This action may result in an overpayment of compensation, which **may** be subject to collection.

IMPORTANT: VA COMPENSATION PAY IS NON-TAXABLE. THEREFORE VA COMPENSATION PAY MAY BE THE GREATER BENEFIT.

28. Do NOT pay me VA compensation. I do NOT want to receive VA compensation in lieu of training pay.
