A Message from the Directors
U.S. Census Bureau and National Center for Science and Engineering Statistics

We are requesting your cooperation with the **2017 Annual Business Survey** conducted by the U.S. Census Bureau and the National Center for Science and Engineering Statistics (NCSES) within the National Science Foundation (NSF). This national survey collects data on the characteristics of U.S. businesses and owners as well as research and development, innovation and technology. Accurate data will help leaders in the public and private sectors make better decisions to strengthen American competitiveness.

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-XXXX and appears in the upper right corner of each reporting screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13, United States Code, Sections 8(b), 131, and 182, Title 42, United States Code, Section 1861-76 (National Science Foundation Act of 1950, as amended), and Section 505 within the America COMPETES Reauthorization Act of 2010, authorize this collection. Sections 224 and 225 of Title 13, United States Code require your response. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit data.

Burden Estimate Statement

We estimate this survey will take an average of 52 minutes to complete, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
