<u>SUPPORTING STATEMENT - PART A</u>

Dependency Statements 0730-0014

1. Need for the Information Collection

This information collection allows DFAS to determine the extent of support a member is providing to a dependent and that the dependent's income is less than 50% of their expenses, which authorizes the benefits. Pursuant to 5 U.S.C. 301, "Departmental Regulations," 37 U.S.C., "Pay and Allowances of the Uniformed Services," DoD Directive 5154.29, "DoD Pay and Allowances Policy and Procedures," Joint Travel Regulations (JTR), current edition, the member must provide at least one-half of claimed dependents' monthly expenses. The DoD Financial Management Regulation (FMR) 7000.14, Volume 7A, "Military Pay Policy – Active Duty and Reserve Pay," defines the definition of dependent, directs the requirement to prove in fact dependency, and also prescribes the forms to be used. To prevent abuse of these benefits, and to comply with the above cited statutes, the information requested is needed to substantiate the receipt of the benefit.

2. Use of the Information

DD Form 137-3, Dependency Statement – Parent, DD Form 137-5, Dependency Statement – Incapacitated Child Over Age 21, DD Form 137-6, Dependency Statement – Full-Time Student 21-22 Years of Age, and DD Form 137-7, Dependency Statement – Ward of a Court are submitted by members to apply for benefits. In order for the member to receive benefits, the member must provide proof through the appropriate DD Forms that they are providing 50% or more of a dependent's support. The member must also provide additional documentation providing proof that the dependent's income is less than 50% of their living expenses. If the proper documents are not provided, it is uncertain if an entitlement to a benefit exists. The requirement to complete these forms alleviates the opportunity for fraud, waste, and abuse of dependent benefits.

DFAS reviews the Dependency Statements to determine if the member is eligible for benefit. Upon completion of the claim review process; the Claims Examiner either approves or disapproves the claim for benefits. If the claim is disapproved, the form, with all supporting documentation, is returned to the member with the reason that the claim was disapproved. If approved, the member is notified, and the benefits applied for begin.

The form is available on the DoD Forms website (http://www.dtic.mil/whs/directives/forms/index.htm), and can be returned through the askDFAS

submission portlet on dfas.mil (https://www.dfas.mil/militarymembers/Secondary
Dependency/SDC.html), or through the U.S. mail to the address listed on the form. The Privacy Act Statement and Agency Disclosure Notice are available to the respondent on the form.

3. <u>Use of Information Technology</u>

80% are received electronically. Respondents may complete the form online, print and either mail the completed form and documentation for processing or submit the through the ask DFAS submission portlet on the dfas.mil website.

4. <u>Non-duplication</u>

The information obtained through this collection is unique and is not already available for use or adaptation from another cleared source.

5. Burden on Small Businesses

This information collection does not impose a significant economic impact on a substantial number of small businesses or entities.

6. <u>Less Frequent Collection</u>

Financial information and living arrangements change frequently; therefore, new dependency statements must be updated on an annual basis. When a qualified family event occurs, a new form must be submitted. Less frequent collection of information could result in ineligible members receiving benefits.

7. Paperwork Reduction Act Guidelines

This collection of information does not require collection to be conducted in a manner inconsistent with the guidelines delineated in 5 CFR 1320.5(d)(2).
