

NCS E-update screens that respondents see (have not changed images), this is for data that NCS asks specifically for that is also sent through the IDCF system:

The screenshot shows the login page for the Bureau of Labor Statistics Internet Data Collection Facility (IDCF). The page has a yellow header with the BLS logo and the text "Bureau of Labor Statistics Internet Data Collection Facility". Below the header, there are links for "ADA Statement", "Privacy Policy", and "Logon". The main heading is "Internet Data Collection Facility (IDCF) Logon". To the right of this heading are buttons for "Test Your Browse" and "Help". The main content area contains a welcome message: "Welcome to the Internet Data Collection Facility (IDCF). To report your survey data, you must logon with a valid password for the IDCF account number that is included in your Bureau of Labor Statistics (BLS) survey documents." Below this are input fields for "Account Number:" and "Password:", with a "Forgot Password?" link next to the password field. A note indicates "(password is case-sensitive)". A "WARNING!" section follows, stating that the system is an Official United States Government System and that unauthorized use is prohibited. Below the warning is an "I Accept" button. A "Please read:" section contains a security notice: "Due to security reasons, your session will time out after 30 minutes of system inactivity. You will need to logon to the website again to continue." At the bottom, there is a "Help Request Form" link, the update date "Monday, March 22, 2010", and the URL "https://idcft.bls.gov/default.asp". The browser's status bar at the bottom shows "Done", "Local intranet", and "100%".
