Waivers & Authorizations

sUAS operators who want to fly outside the requirements of the Small UAS Rule (Part 107) may request a waiver and/or airspace authorization using the provided tools.

Applicants are encouraged to review the [form instructions](#) and the [list of regulations](#) subject to waiver prior to submitting via these tools. Please provide all required information in order to facilitate evaluation of your request.

Review the following information before requesting a waiver and/or airspace authorization:

- [Waiver/Airspace Authorization instructions \(PDF\)](#)
- [Performance Based Standards \(PDF\)](#)
- [UAS Facility Maps \(for airspace waivers/authorizations only\)](#)

These tools should only be used to request waivers or airspace authorizations under Title 14 CFR Part 107; it is not for modelers or hobbyists flying in accordance with the Special Rule for Model Aircraft (P.L. 112-95, Section 336).

New Waiver/Authorization Application

Please select one of the following to start your Application. [Learn More](#)

- OPERATION WAIVER:** appropriate for operation at night, operation from a moving vehicle, operation without line of sight, operation requiring a visual observer, operating multiple sUAS devices, operation over people, operation near aircraft, operation with minimum visibility, minimum distance from clouds, groundspeed limit increase, or altitude limit increase.
- AIRSPACE AUTHORIZATION:** appropriate for short-term operations in a specific location within the class of airspace requested (less than 6 months).
- AIRSPACE WAIVER:** appropriate for recurring operations over an extended period of time and may require broad area or blanket access to the class of airspace requested (6 months to 2 years). *Airspace waivers require significant mitigations and may require a longer period of time for processing.*
