

Certification Confirmation

Data submitted by each entity in the MF-II Challenge Process must be substantiated by the certification of a qualified engineer, or, for a governmental entity that does not have a qualified engineer available to certify, by a government official authorized to act on behalf of the organization and with actual knowledge of the accuracy of the underlying data.

As an authorized representative of the entity submitting data, I certify under penalty of perjury that:

- a. the qualified engineer (or government official) identified below has examined the information submitted, and
- b. the qualified engineer (or government official) identified below has certified that all data and statements contained in the submission were generated in accordance with the parameters specified by the Commission, and are true, accurate, and complete to the best of his or her knowledge, information, and belief.

I understand that persons making willful false statements in any part of this data submission can be punished by fine or imprisonment, pursuant to 47 U.S.C. §§ 416(c), 503(b)(1)(B) and 18 U.S.C. § 1001.

Engineer / Official's Name:

Engineer / Official's Title:

For purposes of this data submission, the entry of your name in the field below shall constitute your electronic signature to the above certification.
