(B)(i) Except as provided in clause (ii), an equal amount shall be contributed from the appropriation or fund used to pay the employee or, in the case of an elected official, from an appropriation or fund available for payment of other salaries of the same office or establishment. When an employee in the legislative branch is paid by the Chief Administrative Officer of the House of Representatives, the Chief Administrative Officer may pay from the applicable accounts of the House of Representatives the contribution that otherwise would be contributed from the appropriation or fund used to pay the employee.

Notwithstanding the preceding provisions of this subsection and any provision of section 206(b)(3) of the Federal Employees' Retirement Contribution Temporary Adjustment Act of 1983, the percentage of basic pay required under this subsection in the case of an individual described in section 8402(b)(2) shall, with respect to any covered service (as defined by section 203(a)(3) of such Act) performed by such individual after December 31, 1983, and before January 1, 1987, be equal to 1.3 percent, and, with respect to any such service performed after December 31, 1986, be equal to the amount that would have been deducted from the employee's basic pay under subsection (k) of this section if the employee's pay had been subject to that subsection during such period.

(d)(1) Each employee or Member who has received a refund of retirement deductions under

this or any other retirement system established for employees of the Government covering service for which he may be allowed credit under this subchapter may deposit the amount received, with interest. Credit may not be allowed for the service covered by the refund until the deposit is made.

(2)(A) This paragraph applies with respect to any employee or Member who—

(i) separates before March 1, 1991, and receives (or elects, in accordance with applicable provisions of this subchapter, to receive) a refund (described in paragraph (1)) which relates to a period of service ending before March 1, 1991;

(ii) is entitled to an annuity under this subchapter (other than a disability annuity) which is based on service of such employee or Member, and which commences on or after December 2, 1990; and

(iii) does not make the deposit (described in paragraph (1)) required in order to receive credit for the period of service with respect to which the refund relates.

(B) Notwithstanding the second sentence of paragraph (1), the annuity to which an employee or Member under this paragraph is entitled shall (subject to adjustment under section 8340) be equal to an amount which, when taken together with the unpaid amount referred to in subparagraph (A)(iii), would result in the present value of the total being actuarially equivalent to the present value of the annuity which would otherwise be provided the employee or Member under this subchapter, as computed under subsections (a)–(i) and (n) of section 8339 (treating, for purposes of so computing the annuity which would otherwise be provided under this subchapter, the deposit referred to in subparagraph (A)(iii) as if it had been timely made).

(C) The Office of Personnel Management shall prescribe such regulations as may be necessary to carry out this paragraph.

(e)(1) Interest under subsection (c), (d)(1), (j), (k), or (l) of this section is computed in accordance with paragraphs (2) and (3) of this subsection and regulations prescribed by the Office of Personnel Management.

(2) Interest accrues annually on the outstanding portion of any amount that may be deposited under subsection (c), (d)(1), (j), (k), or (l) of this section, and is compounded annually, until the portion is deposited. Such interest is computed from the mid-point of each service period included in the computation, or from the date refund was paid. The deposit may be made in one or more installments. Interest may not be charged for a period of separation from the service which began before October 1, 1956.

(3) The rate of interest is 4 percent a year through December 31, 1947, and 3 percent a year beginning January 1, 1948, through December 31, 1984. Thereafter, the rate of interest for any calendar year shall be equal to the overall average yield to the Fund during the preceding fiscal year from all obligations purchased by the Secretary of the Treasury during such fiscal year under section 8348(c), (d), and (e) of this title, as determined by the Secretary.

(f) Under such regulations as the Office of Personnel Management may prescribe, amounts de-

ducted under subsection (a) or (k) of this section and deposited under subsections (c) and (d)(1) of this section shall be entered on individual retirement records.

(g) Deposit may not be required for—

- (1) service before August 1, 1920;
- (2) military service, except to the extent provided under section 8332(c) or section 8334(j) of this title;
- (3) service for the Panama Railroad Company before January 1, 1924;
- (4) service performed before October 29, 1983,² by natives of the Pribilof Islands in the taking and curing of fur seal skins and other activities in connection with the administration of the Pribilof Islands except where deductions, contributions, and deposits were made before October 29, 1983;
- (5) days of unused sick leave credited under section 8339(m) of this title; or
- (6) any period for which credit is allowed under section 8332(l) of this title.

(h) For the purpose of survivor annuities, deposits authorized by subsections (c), (d)(1), (j), and (k) of this section may also be made by a survivor of an employee or Member.

(i)(1) The Director of the Administrative Office of the United States Courts shall pay to the Fund the amount which an employee may deposit under subsection (c) of this section for service creditable under section 8332(b)(12) of this title if such creditable service immediately precedes service as an employee subject to this subchapter with a break in service of no more than ninety working days. The Director shall pay such amount from any appropriation available to him as a necessary expense of the appropriation concerned.

(2) The amount the Director pays in accordance with paragraph (1) of this subsection shall be reduced by the amount of any refund to the employee under section 376 of title 28. Except to the extent of such reduction, the amount the Director pays to the Fund shall satisfy the deposit requirement of subsection (c) of this section.

(3) Notwithstanding any other provision of law, the amount the Director pays under this subsection shall constitute an employer contribution to the Fund, excludable under section 402 of the Internal Revenue Code of 1986 from the employee's gross income until such time as the contribution is distributed or made available to the employee, and shall not be subject to refund or to lump-sum payment to the employee.

(4) Notwithstanding any other provision of law, a bankruptcy judge or magistrate judge who is covered by section 377 of title 28 or section 2(c) of the Retirement and Survivors' Annuities for Bankruptcy Judges and Magistrates Act of 1988 shall not be subject to deductions and contributions to the Fund, if the judge or magistrate judge notifies the Director of the Administrative Office of the United States Courts of an election of a retirement annuity under those provisions. Upon such an election, the judge or magistrate judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(5) Notwithstanding any other provision of law, a judge who is covered by section 7296 of

title 38 shall not be subject to deductions and contributions to the Fund, if the judge notifies the Director of the Office of Personnel Management of an election of a retirement annuity under that section. Upon such an election, the judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(6) Notwithstanding any other provision of law, a judge of the United States Court of Federal Claims who is covered by section 178 of title 28 shall not be subject to deductions and contributions to the Fund if the judge notifies the Director of the Administrative Office of the United States Courts of an election of a retirement annuity under those provisions. Upon such an election, the judge shall be entitled to a lump-sum credit under section 8342(a) of this title.

(j)(1)(A) Except as provided in subparagraph (B), and subject to paragraph (5), each employee or Member who has performed military service before the date of the separation on which the entitlement to any annuity under this subchapter is based may pay, in accordance with such regulations as the Office shall issue, to the agency by which the employee is employed, or, in the case of a Member or a Congressional employee, to the Secretary of the Senate or the Chief Administrative Officer of the House of Representatives, as appropriate, an amount equal to 7 percent of the amount of the basic pay paid under section 204 of title 37 to the employee or Member for each period of military service after December 1956. The amount of such payments shall be based on such evidence of basic pay for military service as the employee or Member may provide, or if the Office determines sufficient evidence has not been so provided to adequately determine basic pay for military service, such payment shall be based upon estimates of such basic pay provided to the Office under paragraph (4).

(B) In any case where military service interrupts creditable civilian service under this subchapter and reemployment pursuant to chapter 43 of title 38 occurs on or after August 1, 1990, the deposit payable under this paragraph may not exceed the amount that would have been deducted and withheld under subsection (a)(1) from basic pay during civilian service if the employee had not performed the period of military service.

(2) Any deposit made under paragraph (1) of this subsection more than two years after the later of—

(A) October 1, 1983; or

(B) the date on which the employee or Member making the deposit first becomes an employee or Member following the period of military service for which such deposit is due,

shall include interest on such amount computed and compounded annually beginning on the date of the expiration of the two-year period. The interest rate that is applicable in computing interest in any year under this paragraph shall be equal to the interest rate that is applicable for such year under subsection (e) of this section.

(3) Any payment received by an agency, the Secretary of the Senate, or the Chief Administrative Officer of the House of Representatives under this subsection shall be immediately re-

mitted to the Office for deposit in the Treasury of the United States to the credit of the Fund.

(4) The Secretary of Defense, the Secretary of Transportation, the Secretary of Commerce, or the Secretary of Health and Human Services, as appropriate, shall furnish such information to the Office as the Office may determine to be necessary for the administration of this subsection.

(5) Effective with respect to any period of military service after December 31, 1998, the percentage of basic pay under section 204 of title 37 payable under paragraph (1) shall be equal to the same percentage as would be applicable under subsection (c) of this section for that same period for service as an employee, subject to paragraph (1)(B).

(k)(1) Effective with respect to pay periods beginning after December 31, 1986, in administering this section in the case of an individual described in section 8402(b)(2) of this title—

(A) the amount to be deducted and withheld by the employing agency shall be determined in accordance with paragraph (2) of this subsection instead of subsection (a)(1)(A); and

(B) the amount of the contribution under subparagraph (B) of subsection (a)(1) shall be the amount which would have been contributed under such subparagraph if this subsection had not been enacted.

(2)(A) With respect to Federal wages of an employee or Member (or that portion thereof) not exceeding the contribution and benefit base during the calendar year involved, the appropriate amount to be deducted and withheld under this subsection is the amount by which—

(i) the total deduction for those wages (or for that portion) exceeds;

(ii) the OASDI contribution with respect to those wages (or that portion).

(B) With respect to any portion of Federal wages of an employee or Member which exceed the contribution and benefit base during the calendar year involved, the appropriate amount to be deducted and withheld under this subsection is an amount equal to the total deduction for that portion.

(C) For purposes of this paragraph—

(i) the term “Federal wages” means basic pay for service as an employee or Member, as the case may be;

(ii) the term “contribution and benefit base” means the contribution and benefit base in effect with respect to the period involved, as determined under section 230 of the Social Security Act;

(iii) the term “total deduction”, as used with respect to any Federal wages (or portion thereof), means an amount equal to the amount of those wages (or of that portion), multiplied by the percentage which (but for this subsection) would apply under subsection (a)(1)(A) with respect to the individual involved; and

(iv) the term “OASDI contribution”, with respect to any income, means the amount of tax which may be imposed under section 3101(a) of the Internal Revenue Code of 1986 with respect to such income (determined without regard to any income which is not a part of Federal wages).

(3) The amount of a deposit under subsection (c) of this section for any service with respect to which paragraph (1) of this subsection applies shall be equal to an amount determined based on the preceding provisions of this subsection, and shall include interest.

(4) In administering paragraphs (1) through (3)—

(A) the term “an individual described in section 8402(b)(2) of this title” shall be considered to include any individual—

(i) who is subject to this subchapter as a result of a provision of law described in section 8347(o), and

(ii) whose employment (as described in section 8347(o)) is also employment for purposes of title II of the Social Security Act and chapter 21 of the Internal Revenue Code of 1986; and

(B) the term “Federal wages”, as applied with respect to any individual to whom this subsection applies as a result of subparagraph (A), means basic pay for any employment referred to in subparagraph (A)(ii).

(l)(1) Each employee or Member who has performed service as a volunteer or volunteer leader under part A of title VIII of the Economic Opportunity Act of 1964, as a full-time volunteer enrolled in a program of at least 1 year’s duration under part A, B,³ or C of title I of the Domestic Volunteer Service Act of 1973, or as a volunteer or volunteer leader under the Peace Corps Act before the date of the separation on which the entitlement to any annuity under this subchapter is based may pay, in accordance with such regulations as the Office of Personnel Management shall issue, an amount equal to 7 percent of the readjustment allowance paid to the employee or Member under title VIII of the Economic Opportunity Act of 1964 or section 5(c) or 6(1) of the Peace Corps Act or the stipend paid to the employee or Member under part A, B,³ or C of title I of the Domestic Volunteer Service Act of 1973, for each period of service as such a volunteer or volunteer leader. This paragraph shall be subject to paragraph (4).

(2) Any deposit made under paragraph (1) more than 2 years after the later of—

(A) October 1, 1993; or

(B) the date on which the employee or Member making the deposit first becomes an employee or Member,

shall include interest on such amount computed and compounded annually beginning on the date of the expiration of the 2-year period. The interest rate that is applicable in computing interest in any year under this paragraph shall be equal to the interest rate that is applicable for such year under subsection (e).

(3) The Director of the Peace Corps and the Chief Executive Officer of the Corporation for National and Community Service shall furnish such information to the Office of Personnel Management as the Office may determine to be necessary for the administration of this subsection.

(4) Effective with respect to any period of service after December 31, 1998, the percentage of the

readjustment allowance or stipend (as the case may be) payable under paragraph (1) shall be equal to the same percentage as would be applicable under subsection (c) of this section for the same period for service as an employee.

(m) A Member who has served in a position in the executive branch for which the rate of basic pay was reduced for the duration of the service of the Member to remove the impediment to the appointment of the Member imposed by article I, section 6, clause 2 of the Constitution, or the survivor of such a Member, may deposit to the credit of the Fund an amount equal to the difference between the amount deducted from the basic pay of the Member during that period of service and the amount that would have been deducted if the rate of basic pay which would otherwise have been in effect during that period had been in effect, plus interest computed under subsection (e).

(n) Notwithstanding subsection (c), no deposit may be made with respect to service credited under section 8332(b)(17).

“(A) the total amount deducted from such individual’s basic pay under section 8334(a)(1) of title 5, United States Code, for service described in subsection (a)(1) of this section, exceeds

“(B) 1.3 percent of such individual’s total basic pay for such period; and

“(2) for the period beginning on January 1, 1987, and ending on the day before such individual becomes subject to section 8334(k) of title 5, United States Code, for the amount by which—

“(A) the total amount deducted from such individual’s basic pay under section 8334(a)(1) of title 5, United States Code, for service described in subsection (a)(1) of this section, exceeds

“(B) the total amount which would have been deducted if such individual’s basic pay had instead been subject to section 8334(k) of title 5, United States Code, during such period.

§ 8335. Mandatory separation

(a) An air traffic controller shall be separated from the service on the last day of the month in which he becomes 56 years of age or completes the age and service requirements for an annuity under section 8336(e), whichever occurs later. The Secretary, under such regulations as he may prescribe, may exempt a controller having exceptional skills and experience as a controller from the automatic separation provisions of this subsection until that controller becomes 61 years of age. The Secretary shall notify the controller in writing of the date of separation at least 60 days before that date. Action to separate the controller is not effective, without the consent of the controller, until the last day of the month in which the 60-day notice expires. For purposes of this subsection, the term “air traffic controller” or “controller” has the meaning given to it under section 8331(29)(A).¹

(b)(1) A law enforcement officer, firefighter, nuclear materials courier, or customs and border protection officer who is otherwise eligible for immediate retirement under section 8336(c) shall be separated from the service on the last day of the month in which that officer, firefighter, or courier, as the case may be, becomes 57 years of age or completes 20 years of service if then over that age. The head of the agency, when in his judgment the public interest so requires, may exempt such an employee from automatic separation under this subsection until that employee becomes 60 years of age. The employing office shall notify the employee in writing of the date of separation at least 60 days in advance thereof. Action to separate the employee is not effective, without the consent of the employee, until the last day of the month in which the 60-day notice expires.

(2) In the case of employees of the Federal Bureau of Investigation, the second sentence of paragraph (1) shall be applied by substituting “65 years of age” for “60 years of age”. The authority to grant exemptions in accordance with the preceding sentence shall cease to be available after December 31, 2011.

(c) A member of the Capitol Police who is otherwise eligible for immediate retirement under section 8336(m) shall be separated from the service on the last day of the month in which such member becomes 57 years of age or completes 20 years of service if then over that age. The Capitol Police Board, when in its judgment the public interest so requires, may exempt such a member from automatic separation under this subsection until that member becomes 60 years of age. The Board shall notify the member in writing of the date of separation at least 60 days in advance thereof. Action to separate the member is not effective, without the consent of the member, until the last day of the month in which the 60-day notice expires.

(d) A member of the Supreme Court Police who is otherwise eligible for immediate retirement under section 8336(n) shall be separated from the service on the last day of the month in

§ 831.302

§ 831.302 Unused sick leave.

(a) For annuity computation purposes, the service of an employee who retires on immediate annuity or dies leaving a survivor entitled to annuity is increased by the days of unused sick leave to his credit under a formal leave system.

(b) An immediate annuity is one which begins to accrue not later than 1 month after the employee is separated.

(c) A formal leave system is one which is provided by law or regulation or operates under written rules specifying a group or class of employees to which it applies and the rate at which sick leave is earned.

(d) In general, 8 hours of unused sick leave increases total services by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day's absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling within the period are treated as work days, and no additional leave credit is earned for that period).

(e) If an employee's tour of duty changes from part time to full time or full time to part time within 180 days before retirement, the credit for unused sick leave is computed as though no change had occurred.

§ 831.303 Civilian service.

(a) *Periods of civilian service performed before October 1, 1982, for which retirement deductions have not been taken.* Periods of creditable civilian service performed by an employee or Member after July 31, 1920, but before October 1, 1982, for which retirement deductions have not been taken shall be included in determining length of service to compute annuity under subchapter III of chapter 83 of title 5, United States Code; however, if the employee, Member, or survivor does not elect either to complete the deposit describes by section 8334(c) of title 5, United States Code, or to eliminate the service from annuity computation, his or her annuity is reduced by 10 percent of the amount which should have been depos-

ited (plus interest) for the period of noncontributory service.

(b) *Periods of service for which refunded deductions have not been redeposited, and periods of civilian service performed on or after October 1, 1982, for which retirement deductions have not been taken.* Except as provided in paragraph (c) of this section, a period of service for which refunded deductions have not been redeposited, and a period of creditable civilian service performed by an employee or Member on or after October 1, 1982, for which retirement deductions have not been taken, shall be included in determining length of service to compute the annuity under subchapter III of chapter 83 of title 5, United States Code, only if—

(1) The employee or Member subsequently becomes eligible for an annuity payable under subchapter III of chapter 83 of title 5, United States Code; and

(2) The employee, Member, or survivor makes a deposit (or re-deposit) for the full period of service. If more than one distinct period of service is covered by a single refund, the periods of service covered by that refund are considered to be single full periods of service. However, in all other instances, a distinct period of nondeduction civilian service (i.e., a period of nondeduction service that is not interrupted by a break in service of more than three days) and a distinct period of re-deposit civilian service (i.e., a period of re-deposit service that is not interrupted by a break in service of more than three days) are considered as separate full periods of service, even when they are immediately consecutive. A period of nondeduction service which begins before October 1, 1982, and ends on or after that date is also considered two full periods of service: one ending on September 30, 1982, and the other beginning on October 1, 1982.

(c)(1) An employee or Member who has not completed payment of a re-deposit for refunded deductions based on a period of service that ended before October 1, 1990, will receive credit for that service in computing the nondisability annuity for which the individual is eligible under subchapter III of chapter 83 of title 5, United States

“(3) after service described in paragraph (2), becomes subject to and thereafter entitled to benefits under chapter 84 of title 5, United States Code, shall, for purposes of section 302 of the Federal Employees’ Retirement System Act of 1986 [Pub. L. 99-335] (100 Stat. 601; 5 U.S.C. 8331 note) be considered to have become subject to chapter 84 of title 5, United States Code, pursuant to an election under section 301 of such Act [5 U.S.C. 8331 note].”

§ 8403. Relationship to the Social Security Act

Except as otherwise provided in this chapter, the benefits payable under the System are in addition to the benefits payable under the Social Security Act.

SUBCHAPTER II—BASIC ANNUITY

§ 8410. Eligibility for annuity

Notwithstanding any other provision of this chapter, an employee or Member must complete at least 5 years of civilian service creditable under section 8411 in order to be eligible for an annuity under this subchapter.

(Added Pub. L. 99-335, title I, §101(a), June 6, 1986, 100 Stat. 522.)

§ 8411. Creditable service

(a)(1) The total service of an employee or Member is the full years and twelfth parts thereof, excluding from the aggregate the fractional part of a month, if any.

(2) Credit may not be allowed for a period of separation from the service in excess of 3 calendar days.

(b) For the purpose of this chapter, creditable service of an employee or Member includes—

(1) employment as an employee, and any service as a Member (including the period from the date of the beginning of the term for which elected or appointed to the date of taking office as a Member), after December 31, 1986;

(2) except as provided in subsection (f), service with respect to which deductions and withholdings under section 204(a)(1) of the Federal Employees’ Retirement Contribution Temporary Adjustment Act of 1983 have been made;

(3) except as provided in subsection (f) or (h), any civilian service (performed before January 1, 1989, other than any service under paragraph (1) or (2)) which, but for the amendments made by subsections (a)(4) and (b) of section 202 of the Federal Employees’ Retirement System Act of 1986, would be creditable under subchapter III of chapter 83 of this title (determined without regard to any deposit or re-deposit requirement under such subchapter, any requirement that the individual become subject to such subchapter after performing the

service involved, or any requirement that the individual give notice in writing to the official by whom such individual is paid of such individual’s desire to become subject to such subchapter);

(4) a period of service (other than any service under any other paragraph of this subsection and other than any military service) that was creditable under the Foreign Service Pension System described in subchapter II of chapter 8¹ of the Foreign Service Act of 1980, if the employee or Member waives credit for such service under the Foreign Service Pension System and makes a payment to the Fund equal to the amount that would have been deducted from pay under section 8422(a) had the employee been subject to this chapter during such period of service (together with interest on such amount computed under paragraphs (2) and (3) of section 8334(e));

(5) a period of service (other than any service under any other paragraph of this subsection, any military service, and any service performed in the employ of a Federal Reserve Bank) that was creditable under the Bank Plan (as defined in subsection (i)), if the employee waives credit for such service under the Bank Plan and makes a payment to the Fund equal to the amount that would have been deducted from pay under section 8422(a) had the employee been subject to this chapter during such period of service (together with interest on such amount computed under paragraphs (2) and (3) of section 8334(e)); and

(6) service performed by any individual as an employee paid from nonappropriated funds of an instrumentality of the Department of Defense or the Coast Guard described in section 2105(c) that is not otherwise creditable, if the individual elects (in accordance with regulations prescribed by the Office) to have such service credited under this paragraph.

Paragraph (5) shall not apply in the case of any employee as to whom subsection (g) (or, to the extent subchapter III of chapter 83 is involved, section 8332(n)) otherwise applies.

(c)(1) Except as provided in paragraphs (2), (3), and (5), an employee or Member shall be allowed credit for—

(A) each period of military service performed before January 1, 1957; and

(B) each period of military service performed after December 31, 1956, and before the separation on which title to annuity is based, if a deposit (including interest, if any) is made with respect to such period in accordance with section 8422(e).

(2) If an employee or Member is awarded retired pay based on any period of military service, the service of the employee or Member may not include credit for such period of military service unless the retired pay is awarded—

(A) based on a service-connected disability—

(i) incurred in combat with an enemy of the United States; or

(ii) caused by an instrumentality of war and incurred in line of duty during a period of war as defined by section 1101 of title 38; or

¹ See References in Text note below.

(B) under chapter 1223 of title 10 (or under chapter 67 of that title as in effect before the effective date of the Reserve Officer Personnel Management Act).

(3) An employee or Member who has made a deposit under section 8334(j) (or a similar prior provision of law) with respect to a period of military service, and who has not taken a refund of such deposit—

(A) shall be allowed credit for such service without regard to the deposit requirement under paragraph (1)(B); and

(B) shall be entitled, upon filing appropriate application therefor with the Office, to a refund equal to the difference between—

(i) the amount deposited with respect to such period under such section 8334(j) (or prior provision), excluding interest; and

(ii) the amount which would otherwise have been required with respect to such period under paragraph (1)(B).

(4)(A) Notwithstanding paragraph (2), for purposes of computing a survivor annuity for a survivor of an employee or Member—

(i) who was awarded retired pay based on any period of military service, and

(ii) whose death occurs before separation from the service,

creditable service of the deceased employee or Member shall include each period of military service includable under subparagraph (A) or (B) of paragraph (1) or under paragraph (3). In carrying out this subparagraph, any amount deposited under section 8422(e)(5) shall be taken into account.

(B) A survivor annuity computed based on an amount which, under authority of subparagraph (A), takes into consideration any period of military service shall be reduced by the amount of any survivor's benefits—

(i) payable to a survivor (other than a child) under a retirement system for members of the uniformed services;

(ii) if, or to the extent that, such benefits are based on such period of military service.

(C) The Office of Personnel Management shall prescribe regulations to carry out this paragraph, including regulations under which—

(i) a survivor may elect not to be covered by this paragraph; and

(ii) this paragraph shall be carried out in any case which involves a former spouse.

(5) If, after January 1, 1997, an employee or Member waives retired pay that is subject to a court order for which there has been effective service on the Secretary concerned for purposes of section 1408 of title 10, the military service on which the retired pay is based may be credited as service for purposes of this chapter only if the employee or Member authorizes the Director to deduct and withhold from the annuity payable to the employee or Member under this subchapter an amount equal to the amount that, if the annuity payment was instead a payment of the employee's or Member's retired pay, would have been deducted and withheld and paid to the former spouse covered by the court order under such section 1408. The amount deducted and withheld under this paragraph shall be paid to

that former spouse. The period of civil service employment by the employee or Member shall not be taken into consideration in determining the amount of the deductions and withholding or the amount of the payment to the former spouse. The Director of the Office of Personnel Management shall prescribe regulations to carry out this paragraph.

(d) Credit under this chapter shall be allowed for leaves of absence without pay granted an employee while performing military service, or while receiving benefits under subchapter I of chapter 81. An employee or former employee who returns to duty after a period of separation is deemed, for the purpose of this subsection, to have been on leave of absence without pay for that part of the period in which that individual was receiving benefits under subchapter I of chapter 81. Credit may not be allowed for so much of other leaves of absence without pay as exceeds 6 months in the aggregate in a calendar year.

(e) Credit shall be allowed for periods of approved leave without pay granted an employee to serve as a full-time officer or employee of an organization composed primarily of employees (as defined by section 8331(1) or 8401(11)), subject to the employee arranging to pay, through the employee's employing agency, within 60 days after commencement of such leave without pay, amounts equal to the retirement deductions and agency contributions which would be applicable under sections 8422(a) and 8423(a), respectively, if the employee were in pay status. If the election and all payments provided by this subsection are not made, the employee may not receive credit for the periods of leave without pay, notwithstanding the third sentence of subsection (d).

(f)(1) An employee or Member who has received a refund of retirement deductions under subchapter III of chapter 83 with respect to any service described in subsection (b)(2) or (b)(3) may not be allowed credit for such service under this chapter unless such employee or Member deposits an amount equal to 1.3 percent of basic pay for such service, with interest. A deposit under this paragraph may be made only with respect to a refund received pursuant to an application filed with the Office before the date on which the employee or Member first becomes subject to this chapter.

(2) An employee or Member may not be allowed credit under this chapter for any service described in subsection (b)(3) for which retirement deductions under subchapter III of chapter 83 have not been made, unless such employee or Member deposits an amount equal to 1.3 percent of basic pay for such service, with interest.

(3) Interest under paragraph (1) or (2) shall be computed in accordance with paragraphs (2) and (3) of section 8334(e) and regulations prescribed by the Office.

(4) For the purpose of survivor annuities, deposits authorized by the preceding provisions of this subsection may also be made by a survivor of an employee or Member.

(g) Any employee who—

(1) served in a position in which the employee was excluded from coverage under this subchapter because the employee was covered

under a retirement system established under section 10 of the Federal Reserve Act; and

(2) transferred without a break in service to a position to which the employee was appointed by the President, with the advice and consent of the Senate, and in which position the employee is subject to this subchapter,

shall be treated for all purposes of this subchapter as if any service that would have been creditable under the retirement system established under section 10 of the Federal Reserve Act was service performed while subject to this subchapter if any employee and employer deductions, contributions or rights with respect to the employee's service are transferred from such retirement system to the Fund.

(h) An employee or Member shall be allowed credit for service as a volunteer or volunteer leader under part A of title VIII of the Economic Opportunity Act of 1964, as a full-time volunteer enrolled in a program of at least 1 year's duration under part A, B,¹ or C of title I of the Domestic Volunteer Service Act of 1973, or as a volunteer or volunteer leader under the Peace Corps Act performed at any time prior to the separation on which the entitlement to any annuity under this subchapter is based if the employee or Member has made a deposit with interest, if any, with respect to such service under section 8422(f).

(i)² For purposes of subsection (b)(5), the term "Bank Plan" means the benefit structure in which employees of the Board of Governors of the Federal Reserve System appointed on or after January 1, 1984, participate, which benefit structure is a component of the Retirement Plan for Employees of the Federal Reserve System, established under section 10 of the Federal Reserve Act (and any redesignated or successor version of such benefit structure, if so identified in writing by the Board of Governors of the Federal Reserve System for purposes of this chapter).

(i)(1)² Upon application to the Office of Personnel Management, any individual who was an employee on the date of enactment of this paragraph, and who has on such date or thereafter acquired 5 years or more of creditable civilian service under this section (exclusive of service for which credit is allowed under this subsection) shall be allowed credit (as service as a congressional employee) for service before December 31, 1990, while employed by the Democratic Senatorial Campaign Committee, the Republican Senatorial Campaign Committee, the Democratic National Congressional Committee, or the Republican National Congressional Committee, if—

(A) such employee has at least 4 years and 6 months of service on such committees as of December 31, 1990; and

(B) such employee deposits to the Fund an amount equal to 1.3 percent of the base pay for such service, with interest.

(2) The Office shall accept the certification of the President of the Senate (or the President's designee) or the Speaker of the House of Representatives (or the Speaker's designee), as the

case may be, concerning the service of, and the amount of compensation received by, an employee with respect to whom credit is to be sought under this subsection.

(3) An individual shall not be granted credit for such service under this subsection if eligible for credit under section 8332(m) for such service.

(k)(1)³ The Office of Personnel Management shall accept, for the purposes of this chapter, the certification of the head of a nonappropriated fund instrumentality of the United States concerning service of the type described in subsection (b)(6) that was performed for such nonappropriated fund instrumentality.

(2) Service credited under subsection (b)(6) may not also be credited under any other retirement system provided for employees paid from nonappropriated funds of a nonappropriated fund instrumentality.

(l)(1) Notwithstanding any other provision of this chapter, the service of an individual finally convicted of an offense described in paragraph (2) shall not be taken into account for purposes of this chapter, except that this sentence applies only to service rendered as a Member (irrespective of when rendered). Any such individual (or other person determined under section 8424(d), if applicable) shall be entitled to be paid so much of such individual's lump-sum credit as is attributable to service to which the preceding sentence applies.

(2) An offense described in this paragraph is any offense described in section 8332(o)(2)(B) for which the following apply:

(A) Every act or omission of the individual (referred to in paragraph (1)) that is needed to satisfy the elements of the offense occurs while the individual is a Member.

(B) Every act or omission of the individual that is needed to satisfy the elements of the offense directly relates to the performance of the individual's official duties as a Member.

(C) The offense is committed after the date of enactment of this subsection.

(3) An individual convicted of an offense described in paragraph (2) shall not, after the date of the final conviction, be eligible to participate in the retirement system under this chapter while serving as a Member.

(4) The Office of Personnel Management shall prescribe any regulations necessary to carry out this subsection. Such regulations shall include—

(A) provisions under which interest on any lump-sum payment under the second sentence of paragraph (1) shall be limited in a manner similar to that specified in the last sentence of section 8316(b); and

(B) provisions under which the Office may provide for—

(i) the payment, to the spouse or children of any individual referred to in the first sentence of paragraph (1), of any amounts which (but for this clause) would otherwise have been nonpayable by reason of such first sentence, subject to paragraph (5); and

(ii) an appropriate adjustment in the amount of any lump-sum payment under the second sentence of paragraph (1) to reflect the application of clause (i).

² So in original. Two subsecs. (i) have been enacted.

³ So in original. No subsec. (j) has been enacted.

(5) Regulations to carry out clause (i) of paragraph (4)(B) shall include provisions to ensure that the authority to make any payment under such clause to the spouse or children of an individual shall be available only to the extent that the application of such clause is considered necessary and appropriate taking into account the totality of the circumstances, including the financial needs of the spouse or children, whether the spouse or children participated in an offense described in paragraph (2) of which such individual was finally convicted, and what measures, if any, may be necessary to ensure that the convicted individual does not benefit from any such payment.

(6) For purposes of this subsection—

(A) the terms “finally convicted” and “final conviction” refer to a conviction (i) which has not been appealed and is no longer appealable because the time for taking an appeal has expired, or (ii) which has been appealed and the appeals process for which is completed;

(B) the term “Member” has the meaning given such term by section 2106, notwithstanding section 8401(20); and

(C) the term “child” has the meaning given such term by section 8441.

§ 842.305

5 CFR Ch. I (1–12 Edition)

§ 842.305 Deposits for civilian service.

(a) *Eligibility—current and former employees or Members.* An employee or Member subject to FERS and a former employee or Member who is entitled to an annuity may make a deposit for civilian service described under paragraphs (a)(2) and (a)(3) of § 842.304 upon application to OPM in a form prescribed by OPM. A deposit for civilian service cannot be made later than 30 days after the first regular monthly payment as defined in § 842.602.

(b) *Eligibility—survivors.* If an employee or Member was, at the time of death, eligible to make a deposit, the employee's survivor may make the deposit for civilian service. A deposit under this paragraph cannot be made after adjudication of the survivor's application for benefits becomes final, which is 30 days after the date of OPM's notice to the survivor of the annuity rates with and without making the deposit.

(c) *Distinct period of service.* A deposit is not considered to have been made for any distinct period of service unless the total amount due for the period is paid in full. A distinct period of civilian service for this purpose is a period of civilian service that is not interrupted by a break in service of more than 3 days.

(d) *Amount of deposits.* The amount of a deposit for a period of service under § 842.304(a)(2) equals 1.3 percent of the basic pay for the service, plus interest. The amount of a deposit for a period of service under § 842.304(a)(3) equals the amount that would have been deducted from pay under 5 U.S.C. 8422(a) had the employee been subject to FERS during the service, plus interest.

(e) *Interest.* (1) Interest is charged at the rate of 4 percent a year through December 31, 1947; 3 percent a year beginning January 1, 1948, through December 31, 1984; and thereafter at a rate as determined by the Secretary of the Treasury for each calendar year that equals the overall average yield to the Civil Service Retirement and Disability Fund (the Fund) during the preceding fiscal year from all obligations purchased by the Secretary during such fiscal year under 5 U.S.C. 8348 (c), (d), and (e).

(2) The computation of interest is on the basis of 30 days to the month. Interest is computed for the actual calendar time involved in each case; but, whenever applicable, the rule of average applies.

(3) Interest is computed from the midpoint of each service period included in the computation. The interest accrues annually on the outstanding portion, and is compounded annually, until the portion is deposited. Interest is not charged after the commencing date of annuity or for a period of separation from the service that began before October 1, 1956.

(f) *Forms of deposit.* Deposits may be made in a single lump sum or in installments not smaller than \$50 each.

(g) *Cadet Nurse Corps.* (1) Upon receiving an application for service credit with the Cadet Nurse Corps, OPM will determine whether all the conditions for creditability (§ 842.304(b)) have been met; compute the deposit, including interest; and advise the employing agency and the employee of the total amount of the deposit due. The rate of basic pay for this purpose is deemed to be \$15 per month for the first 9 months of study; \$20 per month for the 10th through the 21st months of study; and \$30 per month for any month in excess of 21 months. Interest is computed in accordance with paragraph (e) of this section.

(2) The employing agency must establish a deposit account showing the total amount due and a payment schedule (unless deposit is made in one lump sum) to record the date and amount of each payment.

(3) If the individual cannot make payment in one lump sum, the employing agency must accept installment payments (by allotments or otherwise). The employing agency, however, is not required to accept individual checks in amounts less than \$50.

(4) Payments received by the employing agency must be remitted to OPM immediately for deposit to the Civil Service Retirement and Disability Fund.

(5) Once the employee's deposit has been paid in full or closed out, the employing agency must submit the documentation pertaining to the deposit to

OPM in accordance with instructions issued by OPM.

(h) *Processing applications for pre-1969 National Guard technician service credit for employees subject to FERS retirement deductions after November 5, 1990*—(1) *OPM determines creditable service.* OPM will determine whether all conditions for crediting the additional service have been met, compute the deposit, and notify the employee of the amount of and the procedures for submitting the deposit payments to OPM to obtain credit for the service.

(2) *Computing the deposit.* (i) For individuals who will not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year computed as specified by section 8334(e)(2) of title 5, United States Code, until the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(c).

(i) *Processing applications for pre-1969 National Guard technician service credit for annuitants (and survivors) and for former employees who separated after December 31, 1968, and before November 6, 1990*—(1) *OPM determines creditable service.* OPM will determine whether all conditions for crediting the additional service have been met, compute the amount of the deposit, and notify the individual.

(2) *Computing the deposit for annuitants and survivors.* (i) For individuals who do not have a CSRS component, the deposit will be computed based on—

(A) One and three tenths percent of basic pay at the time the service was performed; and

(B) Interest at the rate of 3 percent per year as specified by section 8334(e)(2) of title 5, United States Code, to the midpoint of the 24-month installment period, or if paid in a lump sum, the date the deposit is paid.

(ii) For individuals who will have a CSRS component, the deposit will be computed as specified in 5 CFR 831.306(e)(2)(i) and (ii)(A).

(iii)(A) OPM will notify annuitants and survivors of the amount of the deposit and give them a proposed installment schedule for paying the deposit from monthly annuity payments. The proposed installment payments will consist of equal monthly payments that will not exceed a period 24 months from the date a complete written application is received by OPM.

(B) The annuitant or survivor may allow the deposit installments to be deducted from his or her annuity as proposed or make payment in a lump sum within 30 days from the date of the notice.

(C) Increased annuity payments will begin to accrue the first day of the month after OPM receives the complete written application.

(iv) If an annuitant dies before completing the deposit installment payments, the remaining installments will be deducted as established for the annuitant from benefits payable to the survivor annuitant (but not if the only survivor benefit is payable to a child or children of the deceased), if any. If no survivor annuity is payable, OPM may collect the balance of the deposit from any lump sum benefits payable or from the decedent's estate, if any.

(3) *Computing the deposit for former Federal employees separated after December 31, 1968 but before November 6, 1990.* For former employees with title to a deferred annuity that commences after November 6, 1990, the deposit will be computed as provided in paragraph (i)(2) above, except that interest will be computed through the commencing date of annuity or the date the deposit is paid, whichever comes first.

(j) *Certain Government service performed abroad after December 31, 1988, and before May 24, 1998*—(1) *Eligibility-current and former employees, and retirees.* A current or former employee, or a retiree who performed certain Government service abroad described in § 842.304(e) may make a deposit for such service, in a form prescribed by OPM.

(2) *Eligibility-survivors.* A survivor of a current employee, former employee, or a retiree eligible to make a deposit under paragraph (j)(1) of this section may make a deposit under this section if the current or former employee, or retiree is deceased and the survivor is

(4) *Time limit for filing application.* An application to make a deposit under this section must be submitted on or before August 29, 2008.

(5) *Amount of deposit.* (i) A deposit under this section must be computed using distinct periods of service. For the purpose of this section, a distinct period of service means a period of service not interrupted by a break in service of more than 3 days. A deposit may be made for any or all distinct periods of service.

(ii) The amount of deposit under this section equals the amount of deductions from basic pay that would have been required under section 8422 of title 5, United States Code, if at the time the service was performed the service had been subject to FERS deductions under that section, plus interest.
