to  
**REPORTING AND RECORD KEEPING REQUIREMENTS UNDER  
REGULATIONS (OTHER THAN RULES OF PRACTICE) UNDER THE  
PERISHABLE AGRICULTURAL COMMODITIES ACT, 1930.**

**OMB NO. 0581-0031**

**January 2018**

This Justification for Change requests OMB approval to update OMB approved 0581-0031, Form SC-211- Application for License. The Perishable Agricultural Commodities Act (PACA) (7 U.S.C. 499a-499t) and PACA Regulations (7 CFR Part 46) require nearly all persons who operate as commission merchants, dealers, and brokers buying or selling fruits and/or vegetables in interstate or foreign commerce to be licensed. The license is effective for three (3) years for retailers and grocery wholesalers, unless withdrawn by USDA for valid reasons [7 CFR 46.9 (a)-(h)], and must be renewed on a triennial basis.

We are requesting the following changes to update the SC-211 form:

Question 4a, Page 1: At the request from the trade, we are adding an additional field for a second telephone number and second email address.

Question 6c, Page 1: We are adding the following wording “These items MUST be submitted with application.”

Question 9, Page 2: We are removing the column requesting Social Security Number. We have decided in today’s climate of safeguarding Personally Identifiable information (PII), that we will no longer require applicants to provide a social security number. We will replace that column with EIN number request.

Question 9, Page 2: We are requesting to add a statement relating to stockholders hold a total of 100 percent.

The changes in this request will not increase the currently approved burden for this form.
