١	ery difficult/	Difficult	Neutral	Easy	Very E	asy					
				Su	ırvey conti	nues on the back 🔿					

ATSDR estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-17IY).

## Biomonitoring of Great Lakes Populations Program III

6. How useful did you	ı find each	of the following pr	oject materials?								
a. Blood and urine test results letters (please circle one response):
