

Date

Dear Click here to enter text.,

We greatly appreciate your participation in the Milwaukee Angler Study. As part of your participation you completed a detailed questionnaire. We have some additional questions that we would like to ask of you. The enclosed questionnaire contains seven new questions asking about fish that you caught from water bodies in Milwaukee and the surrounding southeastern area of Wisconsin. We know your time is very valuable - completion of this questionnaire should take approximately 5 minutes. You can return the completed questionnaire in the enclosed, self-addressed envelope.

Thank you for your time. If you have questions please email dhsfishstudy@dhs.wisconsin.gov or contact Brooke Thompson at 608-261-9325.

Sincerely,

Program Manager, Wisconsin Department of Health Services

ATSDR estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0923-171Y).

FISH EATEN IN THE LAST 12 MONTHS

These fish are sometimes called 'sport-caught fish' or 'sportfish'. We will be asking you to estimate how many fish meals you have eaten in the last 12 months.

Questions 1-3 ask about fish caught in different lakes, rivers, and streams in Milwaukee and the surrounding southeastern area of Wisconsin. Please refer to Image 1 at the back of this questionnaire which shows the lakes, rivers, and streams we are interested in.

1. In the last 12 months, have you eaten any fish caught by you or someone you know from the lakes, rivers, and streams in southeastern Wisconsin, shown in Image 1? Please think about these locations only.

_____ total number of meals in the last 12 months

- Don't know
- Prefer not to answer

2. Thinking about fish caught in any of the lakes, rivers, and streams in Milwaukee and the surrounding southeastern area of Wisconsin, shown in Image 1, how has the total amount of fish you eat changed during the past five years?

- Eat less
- Same or about the same
- Eat more
- Don't know
- Prefer not to answer

3. The following questions are about types of fish you have eaten that were caught by you or someone you know. When answering these questions, please think only about fish caught in the lakes, rivers, and streams in Milwaukee and the surrounding southeastern area of Wisconsin, shown in Image 1.

In the last 12 months, have you eaten:					
	Yes	No	Don't know	Prefer not to answer	If YES, approximately how many times did you eat it in the last 12 months?
Black crappie					Number: _____ <input type="checkbox"/> Don't know how many
Bluegill					Number: _____ <input type="checkbox"/> Don't know how many

In the last 12 months, have you eaten:

	Yes	No	Don't know	Prefer not to answer	If YES, approximately how many times did you eat it in the last 12 months?
Bullhead					Number: _____ <input type="checkbox"/> Don't know how many
Buffalo					Number: _____ <input type="checkbox"/> Don't know how many
Carp					Number: _____ <input type="checkbox"/> Don't know how many
Channel catfish					Number: _____ <input type="checkbox"/> Don't know how many
Chubs					Number: _____ <input type="checkbox"/> Don't know how many
Salmon (chinook or coho)					Number: _____ <input type="checkbox"/> Don't know how many
Lake whitefish					Number: _____ <input type="checkbox"/> Don't know how many
