

## Third Follow-up Email

Greetings:

Two weeks ago we contacted you asking for your help with the CMS Tribal LTSS Program Survey. We are writing to you again because our ability to collect accurate information on tribally run LTSS programs depends on hearing from those who have not yet responded.

To complete the questionnaire, click on the link below. Responses to the survey are voluntary.

If you have any questions about the survey, please send them to [research@kauffmaninc.com](mailto:research@kauffmaninc.com).

We hope you will consider participating in this important effort to gather and share knowledge and best practices on LTSS in Indian Country. If you are unable to complete the survey, Kauffman & Associates, inc. (KAI) staff will follow-up with you by phone and ask whether you would like to receive the survey a final time by either email or fax.

Thank you,

The Research Team at KAI
