

Second Follow-up Email

Greetings:

Recently we sent you an email asking you to complete a survey about tribally run long term services and supports (LTSS) programs on behalf of the Centers for Medicare and Medicaid (CMS). We'd like to urge you to answer the questionnaire. It should only take about 15 minutes to complete.

Simply click on the link below to begin the survey:

The CMS Tribal LTSS survey will encourage the sharing of LTSS best practices across Indian Country and tribally run programs are the only source we have for this important information. If you have any questions, please send them to research@kauffmaninc.com.

Sincerely,

The Research Team at KAI
