

ANA's 2020 Application Submission Survey

How Was Your Application Experience?

Assessing ANA's Funding Opportunity Announcements

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to provide feedback to the Administration for Native Americans regarding the 2020 discretionary application process. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0401 and the expiration date is 05/31/2021. If you have any comments on this collection of information, please contact Amy.Zukowski@acf.hhs.gov.

The Administration for Native Americans (ANA) is seeking honest feedback about our Funding Opportunity Announcements and the grant application process to improve the overall experience moving forward. As a recent applicant, ANA would appreciate your views on the process. Responses are anonymous and have no impact on funding selection for this year's funding competition. Responses will be reviewed to assist ANA in the planning and implementation of future FOAs and any other improvements to the process in the next funding cycle. Your participation is voluntary, and the information provided will be kept private.
