Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: Sexual Risk Avoidance Education (SRAE) Grantee Needs Assessment

PURPOSE: The purpose of the planned activity is to collect feedback from grantees on their needs for training and technical assistance (T&TA), to inform the development of future T&TA. It is critical to obtain an assessment of grantees' needs and to identify any gaps or unmet needs to be addressed in future T&TA. The information collected will help ensure that T&TA are effective and efficient and that content is appropriately tailored to grantees' needs to improve overall performance.

We believe that feedback from grantees is the most expeditious format to capture a range of needs from the diverse grantee organizations. The grantee feedback will be web-based and sent to the grantee points of contact for response. The questions will include mostly multiple choice, with a limited number of open-ended questions. We anticipate that respondents will be able to complete the assessment in 15 minutes.

DESCRIPTION OF RESPONDENTS: Respondents are SRAE grantee project directors, authorizing officials, and sub-awardee program providers.
