

**HIRE Vets Medallion Program Demonstration
Electronic Application Forms
Calendar Year 2018**

In Calendar Year (CY) 2018, VETS will engage in a limited demonstration of the HIRE Vets Medallion Program voluntary recognition program, before initiation of the first HIRE Vets Medallion Award cycle. The CY 2018 program demonstration will collect the same information as that approved for the HIRE Vets Medallion Program Final Rule (OMB Control No. 1293-0015). The only differences between the application forms for the HIRE Vets Medallion Program Final Rule and the CY 2018 HIRE Vets Medallion Program Demonstration are that fields associated with application fee payment will not be used (VETS will not collect application fees as part of the demonstration program), and statements on the application forms referring to the “2019 HIRE Vets Application” will instead read “2018 HIRE Vets Application.” In addition, the CY 2018 HIRE Vets Medallion Program Demonstration will limit the number of applicants. VETS intends to inform applicants up front that a fee is not required for the CY 2018 HIRE Vets Medallion Program Demonstration.

Yes *Employee means any individual for whom the employer furnishes an IRS Form W-2, excluding temporary workers.*

Item 10: Yes *Employer means any person, institution, organization, or other entity that pays salary or wages for work performed or that has control over employee opportunities, except for the Federal Government or any State or foreign government. For the purposes of this regulation, VETS will recognize employers based on the Employer Identification Number, as described in 26 CFR 301.7701-12, used to furnish an IRS Form W-2 to an employee. However, in the case of an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the employer shall be the common law employer, client, or customer, respectively, instead of the entity that furnishes the IRS Form W-2. Consequently, in the case where an employer uses an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the common law employer is the proper applicant for the award regardless of what EIN is on employees' IRS Forms W-2.*

Temporary Worker means any worker hired with the intention that the worker be retained for less than one year and who is actually retained for less than one year.

Veteran has the meaning given such term under 38 U.S.C. 101. VETS recognizes that most employers determine which employees are veterans according to the employee's self-identification. VETS does not expect employer-applicants to change these practices in order to guarantee that every employee who self-identifies as a veteran meets the definition of veteran at 38 U.S.C. 101.

Employers cannot receive a HIRE Vets Medallion Award if they have any of the labor law violations identified in 20 CFR § 1011.120. The applicable language at 20 CFR § 1011.120 reads as follows:

(a) Any employer with an adverse labor law decision, stipulated agreement, contract debarment, or contract termination, as defined in paragraphs (b) through (e) of this section, pursuant to either of the following labor laws, as amended, will not be eligible to receive an award:

- 1. Uniformed Services Employment and Reemployment Rights Act (USERRA);
2. Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA);

(b) For purposes of this application, an adverse labor law decision means any of the following, issued in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, in which a violation of any of the laws in paragraph (a) of this section is found:

- 1. a civil or criminal judgment;
2. a final administrative merits determination of an administrative adjudicative board or commission; or
3. a decision of an administrative law judge or other administrative judge that is not appealed and that becomes the final agency action.

(c) For purposes of this application, a stipulated agreement means any agreement (including a settlement agreement, conciliation agreement, consent decree, or other similar document) to which the employer is a party, entered into in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, that contains an admission that the employer violated either of the laws cited in paragraph (a) of this section.

(d) For purposes of this application, a contract debarment means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that debars the employer from receiving any future Federal contract. Employers shall be ineligible for an award for the duration of time that the contract debarment is in effect.

(e) For purposes of this application, a contract termination means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that terminates an existing Federal contract prior to its completion. Employers shall be ineligible for the award if this termination occurred in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award.

To receive a HIRE Vets Medallion Award, the employer must not have any violations identified in the above regulatory text during the time periods identified in the regulation.

Additionally, per 20 CFR § 1011.120(f), if VETS has credible information that a significant violation of one of the laws cited in paragraph (a) of § 1011.120 may have occurred that could lead to an employer being disqualified pursuant to any of paragraphs (b) through (e) of § 1011.120, VETS may delay issuing an award.
