

The pop-up invitation that customers will see when they visit the *Gasoline and Diesel Fuel Update* web page during the survey period.

Please provide us your feedback on how useful the on-highway diesel fuel price information is to you and take this brief survey.

1. **The on-highway diesel fuel prices are the cash price paid at the pump including taxes each Monday as of 8:00 a.m. local time from a representative sample of truck stops and service stations in the 48 contiguous states. What additional on-highway diesel fuel price information would be useful to you and your organization?**
(Choose all that apply)

- More state level on-highway diesel fuel price data
- Automobile diesel prices
- Truck diesel prices
- Separate price for diesel credit card prices
- Diesel exhaust fluid (DEF) prices
- Diesel cash prices excluding taxes
- Renewable diesel prices
- More regional level on-highway diesel fuel price data
- I'm satisfied; no additional on-highway diesel fuel price information is needed.
