ACCOUNTING RATIONALES APPLICABLE TO ICR RENEWAL FOR THE NEXT 3 YEARS		Additional Burden Hours
Category 1	Nonattainment areas that have attained the standard by their attainment date, submitted a redesignation to attainment request to EPA and the Redesignation has been proposed or finalized.	0
Category 2	Nonattainment areas that are attaining the 2008 ozone NAAQS and have had their planning requirements suspended through a Clean Data Determination and are eligible to request for Redesignation to Attainment prior to the 2015 ozone NAAQS designations. Nonattainment areas (generally areas in the OTR) that have attained the 2008 ozone NAAQS by their attainment date, that have received a Clean Data Determination, but to date have not, submitted a request for Redesignation to Attainment prior to the 2015 ozone NAAQS designations.	1,000
Category 3	Moderate nonattainment areas that are expected to fail to attain by their future attainment date and most likely become reclassified Moderate to Serious during the 3-year ICR period.	5,000
Category 4	Nonattainment areas classified Serious or higher whose attainment dates are in the future.	0

Areas with proposed redesignation approvals that are currently final or will become final by July 20, 2018 (0 hours)

Areas meeting NAAQS with SIP actions satisfied by DOA or CDD (0 hours)

Marginal Areas attaining the 2008 NAAQS (0 hours)

Areas that have attainment date in the future (0 hours)
