SUBJECT: FY 2018 OPM Retirement Services Customer Satisfaction Survey

A Message from the Associate Director of OPM Retirement Services

Dear Friend:

The U.S. Office of Personnel Management (OPM) is responsible for administering the Civil Service Retirement System and the Federal Employees Retirement System, serving over 2.6 million federal annuitants and survivor annuitants who receive monthly annuity payments. In addition to adjudicating retirement cases, OPM serves you by making address changes or tax status changes to accounts, sending out 1099-Rs, surveying certain customers to ensure their continued eligibility to receive benefits, and doing many other customer service activities on your behalf.

This survey collects feedback about how well we provide these services. We are asking federal annuitants and survivor annuitants to participate in this survey who on or after October 1, 2017:

- 1) Contacted OPM Retirement Services for customer service regarding their retirement account, or
- 2) Applied for and began receiving retirement annuity benefits (or survivor benefits) from OPM Retirement Services.

You may have participated in this survey last year; if you contacted us on or after October 1, 2017 you can also participate in this survey. Your participation is voluntary; any information you provide will be kept confidential.

Our Strategic Goal for 2018-22 calls for us to improve retirement services by reducing the average time to answer calls to 5 minutes or less and achieve an average case processing time of 60 days or less. The information you provide will help us determine how we can best meet these goals as well as determine other retirement benefit service areas that need improvement.

OPM will report the survey results to the President, Congress, and our staff to assess how well we meet our goals and serve our customers. We look forward to continuing to serve you. Thank you for contributing your valuable time to participate in this survey.

Sincerely,

Kenneth Zawodny Associate Director Retirement Services

U.S. Office of Personnel Management Retirement Services FY 2018 Customer Satisfaction Survey

Purpose of this Survey

Every year the Office of Personnel Management (OPM) sets new goals for improving the retirement services we provide to Federal annuitants. To reflect how well we meet these goals, our survey focuses on retirees who had a transaction with us during the last year (from October 1, 2017). This includes **Long-Time Retirees** (retired before October 1, 2017) who contacted us for service regarding their retirement accounts, and **New Retirees** (retired on or after October 1, 2017) who initially applied for retirement benefits or contacted us for service regarding their new accounts.
