GENERAL BORROWER CERTIFICATIONS (continued)

- A. To incorporate or cause to be incorporated into any contract for construction work, or modification thereof, subject to the relevant rules, regulations, and orders of the Secretary or of any prior authority that remain in effect, which is paid for in whole or in part with the aid of such financial assistance, the following "Equal Opportunity clause" is required:
- "During the performance of this contract, the contractor agrees as follows:
- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by USDA setting forth the provisions of this nondiscrimination clause.
 - (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation or national origin.
 - (3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by USDA, advising the said labor union or workers' representative of the contractor's commitments required by this Equal Opportunity clause pursuant to section 202(3) of Executive Order 11246, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - (4) The contractor will comply with all provisions of Executive Order 11246, and of all rules, regulations and relevant orders of the Secretary of Labor and of any prior authority which remain in effect.
 - (5) The contractor will furnish all information and reports required by Executive Order 11246, rules, regulations, and orders, or pursuant thereto, and will permit access to the contractor's books, records, and accounts by USDA, Office of Civil Rights, and the Secretary for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
 - (6) In the event of the contractor's noncompliance with the Equal Opportunity (Federally Assisted Construction) clause or with any of the said rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246, or by rule, regulation or order of the Secretary, or as provided by law.
 - (7) The contractor will include the provisions of this Equal Opportunity (Federally Assisted Construction) clause in every subcontract or purchase order, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 204 of Executive Order 11246, so that such provisions will be binding upon each such subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order USDA may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by USDA, the contractor may request the United States to enter into such litigation to protect the interest of the United States."

Bid conditions for all nonexempt Federal and Federally assisted construction contracts require inclusion of the appropriate "Hometown" or "Imposed" plan affirmative action and equal employment opportunity requirements. All bidders must comply with the bid conditions contained in the invitation to be considered responsible bidders and hence eligible for the award.
- E. To assist and cooperate actively with USDA and the Secretary in obtaining the compliance of contractors and subcontractors with the provisions of the Equal Opportunity clause and the said rules, regulations, and orders, to obtain and furnish to USDA and the Secretary, Form AD-560, "Certification of Nonsegregated Facilities," to submit the Monthly Employment Utilization Report, Form CC-257, as required and such other information as may be required for the supervision of such compliance, and to otherwise assist USDA in the discharge of its primary responsibilities for securing compliance.

You cannot be denied a loan because all or part of your income is from a public assistance program. If you believe that you have been discriminated against for any of these reasons, you can write the Secretary of Agriculture, Washington, D.C. 20250. You cannot be denied a loan because you exercised your rights under the Consumer Credit Protection Act. You must have exercised these rights in good faith. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency may terminate this transaction for cause.

The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in Definitions and Coverage sections of rules implementing Executive Order 12649. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into a lower tier covered transaction with a person who is debarred, suspended, ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

The prospective primary participant further agrees by submitting this form that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tiered Transactions,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

The participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Except for transactions authorized under paragraph 5 of this part, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department, or agency may terminate this transaction for cause or default.

A. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

- (1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
- (2) Have not within a three year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of a fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (3) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (A)(2) of this certification; and
- (4) Have not within a three-year period preceding this application or proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.

B. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
