

## 0596-0225 – Timber Sale Contract Operations and Administration

A typo was found in form FS-2400-12 and has since been corrected. The Forest Service is submitting this as a non-substantive change request due to the simple nature of the change in the above mentioned form on page one.

The form previously read as: “The **Transferor** authorizes the Forest Service upon its approval of this application to deal solely thereafter with the aforesaid **Transferee** in the **Transferor’s** stead and without notice to the **Transferor** in all matters pertaining to the aforesaid contract, including any modification thereof, and requests that any balance on deposit with the United State’s to the **Transferee’s** credit in connection with such contracts to be transferred to the credit of the **Transferor**.”

The typo was found in the last sentence and will now read, “...including any modification thereof, and requests that any balance on deposit with the United State’s to the **Transferor’s** credit in connection with such contracts to be transferred to the credit of the **Transferee**.”
